WINNETKA PRESERVATION AWARD NOMINATION

I would like to nominate the following exterior project:

Property Address: _____

Owner: _____

Owner's phone and email: _____

1. Award Category (check one):

- Restoration:** The project restores the property to its original appearance using original plans and required research. The project may be a full-scale or partial restoration. An example of a partial restoration would include the replacement of an asphalt shingle roof with original roof material, or the restoration of a porch to its original condition.
- Rehabilitation:** The project is sympathetic to the building's original design. Original plans and research materials are not available, but the project upholds the spirit of the building's style, use of materials and finish. Room additions or garages represent examples of rehabilitation.
- New Construction:** Emphasizes the project's compatibility with its neighborhood. In this respect, issues regarding style, massing, scale, color, trees and context to adjacent properties feature in consideration.

- 2. Property Type:**
- Private
 - Commercial
 - Public

3. Brief Description of the Project (use extra page if needed):

4. Approximate date of project completion: _____
