TO: PLAN COMMISSION
FROM: DAVID SCHOON, DIRECTOR
DATE: JANUARY 16, 2020
SUBJECT: COMPREHENSIVE PLAN STUDY SESSION

On January 22, 2019, the Plan Commission is scheduled to hold a study session to kick-off its work preparing an updated Comprehensive Plan for the community. The consultant team, headed by The Lakota Group, will review the phases of the plan development process, summarize the Commission's roles during the process, and lead you through a "Key Issues Exercise." Attached is a worksheet that the consultant will guide you through at the meeting, we are providing it to you now so you can start thinking about the questions. We have shared the Commission's SWOT analysis work, so the consultant team is aware of your initial thoughts regarding the community's strengths, weaknesses, opportunities, and threats.

The consultant team and staff look forward to working with you to envision a future that meets the goals and aspirations of Winnetkans, regardless of their stage of life.
