

## LANDMARK PRESERVATION COMMISSION VIRTUAL MEETING AGENDA

**MONDAY, SEPTEMBER 21, 2020 - 7:00 PM**

In accordance with social distancing requirements and Governor Pritzker's Executive Order 2020-52 and Senate Bill 2135, the Winnetka Landmark Preservation Commission meeting on Monday, September 21, 2020 **will be held virtually**. The meeting **will be livestreamed via the Cisco WebEx platform**. In accordance with Public Act 101-0640, at least one representative from the Village will be present at Village Hall, and **the virtual meeting will be simulcast at Village Hall for members of the public who do not wish to view the virtual meeting from another location**. Pursuant to Executive Order 2020-52 issued by the Governor, the number of people who may gather at Village Hall for the meeting is limited due to the mandated social distancing guidelines. **Accordingly, the opportunity to view the virtual meeting at Village Hall is available on a "first come, first-served" basis.**

The public has the following two options **for virtually observing and participating during this virtual Landmark Preservation Commission meeting, including the ability to provide testimony or comments**. Persons wishing to participate are strongly encouraged (but not required) to complete the Sign-In form found at [www.villageofwinnetka.org/meetingsignin](http://www.villageofwinnetka.org/meetingsignin).

- 1) **Telephone (audio only)**. Call: 408-418-9388; when prompted enter the Meeting ID – 126 001 9471 (Please note there is no additional password or attendee ID required.)
- 2) **Livestream (both audio and video feed)**. Download the Cisco WebEx meetings app to your smart phone, tablet or computer, and then join Meeting ID 126 001 9471; Event Password – LPC09212020

If you wish to **provide testimony or comments prior to the meeting**, you may provide them one of three ways:

- 1) By sending **an email** to [planning@winnetka.org](mailto:planning@winnetka.org);
- 2) By sending **a letter** to Community Development Department, Village of Winnetka, 510 Green Bay Road, Winnetka, IL 60093, or
- 3) By leaving **a voice mail message** at the phone number 847-716-3524. All voicemail messages will be transcribed into a written format.

All comments received by 6:00 PM the day of the meeting will be read at the meeting by staff. Written public comment is limited to 200 words or less and should identify both (1) the subject of the comment being offered (such as property address or case number of the agenda item) and (2) the full name of the individual providing the comments. In addition, you may wish to include your street address, phone number, and the name of the organization or agency you represent, if applicable.

General comments for matters not on the agenda will be read at the end of the meeting under Public Comment. Comments specific to a particular agenda item will be read during the discussion of that agenda item.

All emails received will be acknowledged either during or after the meeting, depending on when they are received.

Persons seeking additional information concerning any of the applications, accessing the virtual meetings, or requesting alternative means to provide testimony or public comment are directed to email inquiries to [planning@winnetka.org](mailto:planning@winnetka.org) or by calling 847-716-3587.

**LANDMARK PRESERVATION COMMISSION VIRTUAL MEETING AGENDA  
MONDAY, SEPTEMBER 21, 2020 - 7:00 PM**

**AGENDA ITEMS**

1. Call to Order & Roll Call.
2. Introductory Remarks Regarding Conduct of Virtual Meeting.
3. Approval of August 3, 2020 meeting minutes.
4. **Case No. 20-17: 885 Private Road:** Preliminary Review of the application for demolition of the single family residence at 885 Private Road.
5. **Case No. 20-18: 460 Ash Street:** Preliminary Review of the application for demolition of the single family residence at 460 Ash Street.
6. **Case No. 20-19: 644 Pine Lane:** Preliminary Review of the application for demolition of the single family residence at 644 Pine Lane.
7. **Case No. 20-20: 636 Garland Avenue:** Preliminary Review of the application for demolition of the single family residence at 636 Garland Avenue.
8. Other Business.
  - a. October 5, 2020 Meeting - Quorum check.
9. Public Comment.
10. Adjournment

Note: Public comment is permitted on all agenda items.

**NOTICE**

All agenda materials are available at [www.villageofwinnetka.org/agendacenter](http://www.villageofwinnetka.org/agendacenter) .

The Village of Winnetka, in compliance with the Americans with Disabilities Act, requests that all persons with disabilities, who require certain accommodations to allow them to observe and/or participate in this meeting or have questions about the accessibility of the meeting or facilities contact the Village ADA Coordinator at 510 Green Bay Road, Winnetka, Illinois 60093, (Telephone (847) 716-3543; T.D.D. (847) 501-6041).

Development  
Christopher Marx, Associate Planner

**Introductory Remarks Regarding Conduct of Virtual Meeting.**

Chairperson Holland read the Oral Declaration into the record as follows: "Pursuant to recently adopted amendments to the Illinois Open Meetings Act included in Public Act 101-0640, public bodies may, in certain circumstances, hold entirely virtual meetings without a quorum physically present in one location. On March 17, 2020, President Rintz issued a Declaration of Emergency pursuant to authority granted by the Village code, the Illinois Municipal Code and the Illinois Emergency Management Agency Act to address the health threat posed by the Covid-19 pandemic. On May 29, 2020, Governor Pritzker issued a Disaster Proclamation that declared in-person attendance at public meetings of more than ten people at the regular public meeting location to be infeasible, in accordance with the Open Meetings Act, as amended by Public Act 101-0640. On June 16, 2020, President Rintz executed a written determination that given the ongoing emergency associated with the Covid-19 pandemic, in-person meetings of the Village's Village Council are not practical or prudent at this time and until further notice. In accordance with the Governor's Disaster Proclamation and the Village President's Declaration of Emergency and Determination regarding meetings of the Village Council, I, as Chair of the Landmark Preservation Commission, hereby determine that in-person meetings of the Plan Commission are not practical or prudent at this time and until further notice."

**Call to Order & Roll Call:**

Chairperson Holland called the meeting to order at 7:04 p.m. Mr. Marx took a roll call of the Commission Members present.

**Approval of July 6, 2020 meeting minutes.**

Chairperson Holland asked for a motion to approve the July 6, 2020 meeting minutes or if there were any comments or corrections. A motion was made by Mr. Weaver to approve the July 6, 2020 minutes. Chairperson Holland asked if there were any questions and referred to 141 Sheridan Road which is owned by a land trust. She asked if Mr. McDonough is the beneficiary of the land trust. Chairperson Holland again asked if there were any comments or corrections. Several Commission Members seconded the motion. A vote was taken and the motion unanimously passed.

AYES: Enck, Good, Holland, Papoutsis, Weaver

1 NAYS: None

2  
3 **TEARDOWNS-**

4 **Case No. 20-14: 250 Ridge Avenue: Preliminary Review of the application for demolition of the single**  
5 **family residence at 250 Ridge Avenue.**

6 Mr. Marx stated the application for demolition permit for 250 Ridge Avenue was submitted by Thomas  
7 Corbett on behalf of the property owner for the property which measured .21 acres in size on the west  
8 side of Ridge Avenue between Mt. Pleasant and Sunset. He stated the property is a single family  
9 residence with an attached garage and is zoned R-4 single family residential. Mr. Marx stated the  
10 property is surrounded by R-4, R-3 and R-2 single family residences as well. He informed the Commission  
11 the date of construction is inconclusive due to the Village records and the Historical Society indicates it  
12 might have been constructed in 1909. Mr. Marx noted the Village records have a permit for a stucco  
13 garage built in 1920 as well as an addition in 1937 and further alterations in 1969. He stated the  
14 Historical Society research stated the property does not have architectural or historical significance  
15 although the property is over 100 years old and has had several long-time residents, there is not any  
16 indication the property contains significant architectural details. Mr. Marx also stated there is not much  
17 information with regard to the home's architect. He then referred the Commission to an aerial view of  
18 the home and asked if there were any questions.

19  
20 Chairperson Holland asked if the applicant is present. Mr. Norkus allowed the applicant, Thomas Corbett  
21 and Todd Walsh and Steve Blaz into the meeting. Chairperson Holland asked the Commission if there  
22 were any questions.

23  
24 Mr. Weaver described the lot as deep and narrow with the current home close to the street. He referred  
25 to a large oak tree in the backyard and asked if they planned to save the tree. Mr. Corbett responded  
26 they planned to save the tree and the rear of the home would be far away enough to ensure the tree's  
27 survival. Chairperson Holland asked if there were any other questions. Ms. Good stated most of the  
28 homes were built in the same time period and although the home is not architecturally significant, she  
29 referred to the character of the block and asked what would be constructed. Mr. Corbett responded this  
30 is their 5<sup>th</sup> home in Winnetka and described their homes as traditional which fit into the neighborhoods.  
31 He also stated they respect the look of the homes and area and the home would conform to that. Ms.  
32 Good asked what style of home would be built. Mr. Corbett described it as a modern farmhouse with  
33 wood or hardy board exterior with masonry details. He stated it would also have a front porch and  
34 detached garage in back and would be similar to other homes in the area.

35  
36 Chairperson Holland asked if there were any other questions. Mr. Enck stated the home is under the  
37 current ownership and asked if the home was marketed for sale or if they were approached the owner.  
38 Mr. Corbett estimated the home was on the MLS for 6 months and it was not a private sale. Mr. Enck  
39 asked if it was listed on the MLS as vacant land. Mr. Corbett responded 99% of the time, properties on  
40 the MLS are listed as homes and confirmed it was listed as a home. Mr. Blaz informed the Commission it  
41 was listed both ways and several people saw the home and determined it was not economically feasible  
42 to rehab the home. He added the home has a brick foundation.

43  
44 Chairperson Holland asked if there were any other questions. Mr. Enck asked how many square feet the  
45 new home would be compared to the existing home. Mr. Corbett estimated the square footage of the  
46 existing home to be 1,600 square feet and they planned to conform to the Village's FAR requirements  
47 which amounted to 3,400 square feet on the first two floors and 300 square feet in the attic and 400  
48 square feet for the detached garage.

1 Chairperson Holland asked if there were any other questions. No additional questions were raised at this  
2 time. She then asked for a motion to grant the application for demolition for the single family residence  
3 at 250 Ridge Avenue. Mr. Marx stated they first have to read public comments into the record. He read  
4 an email from Thomas Tubergen into the record. Mr. Schoon stated there may be members of the public  
5 who would like to comment.

6  
7 Mr. Norkus asked Caller No. 4 if there was any comment. Michael Eagan confirmed he had no comment.  
8 Mr. Norkus asked Caller No. 5 if there was any comment. Steve Scherer, 1062 Ash, stated he had  
9 comment relating to 385 Rosewood. Mr. Norkus asked Caller No. 7 if there was any comment. Thomas  
10 Tubergen stated he was not able to access the meeting virtually and stated the audio is difficult to hear.  
11 Mr. Marx informed the Board Mr. Tubergen the Village Forester would respond to his comments  
12 relating to the trees and are subject to approval. Mr. Tubergen confirmed there is no iron rod at the  
13 southeast corner as indicated on the plat. Mr. Corbett stated they are required to have a licensed  
14 surveyor review the plat of subdivision and measure the property based on that subdivision and uncover  
15 any monumentation on the property. He stated they usually replace monumentation that has been  
16 removed and the rods may be difficult to find. Mr. Corbett ensured care has been taken to identify the  
17 exact dimensions, area and location of the property. He indicated it may be buried. Mr. Tubergen stated  
18 the property line and fence are not the same. Mr. Schoon asked for those questions to be addressed  
19 outside of this forum since this meeting related to the architectural significance of the property and  
20 stated they can later work with Mr. Corbett on this issue.

21  
22 Chairperson Holland stated the plans for the new home would be at the Village Hall and those questions  
23 can answered after the plans are submitted. She asked if there were any questions in connection with  
24 the demolition request for 250 Ridge Avenue.

25  
26 Mr. Norkus asked Caller No. 8 if there was any comment. Connie Stas stated she would like to comment  
27 on 1180 Oakley Avenue. Mr. Norkus asked Caller No. 9 if there was any comment. Peter Eck stated he  
28 would comment on 1180 Oakley Avenue. Mr. Norkus asked Caller No. 10 if there was any comment.  
29 Katie Moran stated she would comment on 1180 Oakley Avenue. Mr. Norkus asked Caller No. 11 if there  
30 was any comment. Ellis Kahn stated he would comment on 385 Rosewood and commented the audio is  
31 terrible and referred to the difficulty of using the WebEx platform. Mr. Norkus asked Caller No. 12 if  
32 there was any comment. Mr. Kahn confirmed that is his phone number. Mr. Norkus noted that  
33 concluded public comment.

34  
35 Chairperson Holland asked for a motion to approve the application for demolition of the single family  
36 residence at 250 Ridge Avenue. A motion was made by Mr. Weaver and seconded by Ms. Papoutsis. A  
37 vote was taken and the motion unanimously passed.

38 AYES: Enck, Good, Holland, Papoutsis, Weaver

39 NAYS: None

40  
41 **Case No. 20-15: 385 Rosewood Avenue: Preliminary Review of the application for demolition of the**  
42 **single family residence at 385 Rosewood Avenue.**

43 Mr. Marx stated the application was submitted for 385 Rosewood to determine if the demolition would  
44 be approved or if an HAIS would be required. He identified photos of the front façade and stated the  
45 application was submitted by James Oraha for a lot which measured approximately .2 acres in size  
46 located on the east side of Rosewood between Willow Road and Ash Street. Mr. Marx stated the  
47 construction date of the property is uncertain and may be in 1920. He indicated a building permit was  
48 issued in 1923 for a two story addition and two car garage in 1951. Mr. Marx noted the property is

1 zoned R-5 single family residential and is surrounded by other R-5 single family residential lots. He  
2 stated the property contained a single family residence and detached garage.

3  
4 Mr. Marx stated the Historical Society research did not indicate the home had any architectural or  
5 historical significance. He also noted there was very little information about the property or its former  
6 residents. Mr. Marx asked if there were any questions.

7  
8 Chairperson Holland also asked if there were any questions. Mr. Norkus stated the applicant must first  
9 speak. He then allowed James Orah into the meeting.

10  
11 Chairperson Holland asked Mr. Orah for his plans for the property. Mr. Orah informed the  
12 Commission he and his wife purchased the property two years ago and submitted their plans for the  
13 new home a few month ago. Chairperson Holland asked Mr. Orah when he was told to apply for a  
14 demolition permit and Mr. Orah responded he was told to apply at the same time to build and  
15 demolish the home.

16  
17 Chairperson Holland asked if there were any questions for Mr. Orah. Mr. Norkus noted there were two  
18 members of the public who would like to speak to this matter and asked Mr. Scherer for his comments.  
19 Mr. Scherer stated he sent an email which was included a part of the public record. He informed the  
20 Commission he was on the Commission 10 years ago and is familiar with the process. Mr. Scherer stated  
21 in response to the letter received about this meeting was that he supported the demolition and found  
22 nothing architecturally significant about the home. He indicated the home has been vacant for 3-4 years  
23 and was badly maintained prior to that. Mr. Scherer stated he hoped the Commission did not ask for a  
24 historical review of the property since the property did not merit it. He also noted when the property  
25 was first sold to the applicant, he asked if they planned to live in the home since they are listed as  
26 owners and builders on the application. Mr. Orah confirmed he is a commercial builder and they  
27 planned to move into the home. Mr. Scherer then referred to the number of trees being removed and  
28 asked if there is a landscape plan for the trees' replacement. Mr. Orah responded there is a tree survey  
29 in the plans which showed they planned to remove 5-6 trees and they want to keep as many as they  
30 can. He then stated would later determine which trees will be planted after construction.

31  
32 Mr. Marx read Mr. Scherer's comments from his email into the record. He stated the next  
33 correspondence was from Mr. and Mrs. Cohn which he read into the record. Mr. Marx informed the  
34 Commission that Mr. Norkus followed up with the Cohns regarding their questions relating to tree  
35 removal and their requirements as well as storm water drainage requirements. Mr. Norkus then allowed  
36 Mr. Cohn into the meeting.

37  
38 Chairperson Holland asked if there were any questions for Mr. Cohn. Mr. Cohn asked if the property  
39 measured one acre and Mr. Marx responded that is not correct and confirmed the property measured .2  
40 acres. Mr. Cohn stated the applicant would determine their landscaping plan after they move into the  
41 property. He then stated there was a big issue with water 10 years ago and a crack in the foundation of  
42 their two car garage with no evidence of surveying being done. Mr. Cohn stated a surveyor came in and  
43 the former owner, Mr. Anderson, identified the trees on the property line. He stated he asked the  
44 surveyor to put in iron pipe in the ground and he put in other posts which were later removed. Mr. Cohn  
45 stated to repair their garage foundation, it was determined that some of the trees on the lot lines were  
46 owned between them and Mr. Anderson and they were not allowed to repair the southwest corner of  
47 their garage. He then stated the box elder limbs were laid across the roofs and he went to Jim Stier and  
48 there is nothing in writing from this applicant to determine how this issue would be handled. Mr. Cohn

1 stated his other question related to water on the property and the 6 inch PVC pipe may not be sufficient  
2 to handle the water. He also stated the home built directly behind theirs has two storm sewer grates  
3 with sump pumps which turn on frequently. Mr. Cohn reiterated water is a big concern and the  
4 proposed plans are vague when he was required to submit specific plans. He then stated he hoped the  
5 Village would attempt to maintain the character of the smaller homes to be left intact although the  
6 home is in bad condition. Mr. Cohn then stated the stump needs to be removed to allow them to repair  
7 their cracked concrete. He then asked if there were any questions.  
8

9 Chairperson Holland stated the Commission is to consider the architectural and historical significance of  
10 the property and his concerns should be addressed with the Village at the time the plans for the  
11 replacement home are submitted to the Community Development Department. She stated he can meet  
12 with the Village Forester regarding the stump and water issues. Chairperson Holland informed Mr. Cohn  
13 the Village code did not allow for any property to take on water from another lot. She stated in  
14 connection with the trees, he should speak with Mr. Stier to determine what can be done.  
15

16 Chairperson Holland asked if there were any comments. Mr. Norkus confirmed there were no other  
17 members of the public who wished to speak to this matter.  
18

19 Chairperson Holland asked if there were any questions from the Commission. Ms. Papoutsis asked what  
20 style of home would be built and if it would sit on the lot similarly to the existing home. Mr. Orah  
21 described it as a traditional farm home measuring 3,400 square feet. He then stated with regard to the  
22 water issues, he hired an engineer who has done 400 homes total. Mr. Aroha also stated they over  
23 engineered the project which would address all of the water issues. He added he could provide  
24 renderings of the new home to the Commission Members.  
25

26 Chairperson Holland asked if there were any other questions. Mr. Enck stated the Historical Society  
27 indicated the home did not have architectural or historical significance but discovered similar homes in  
28 the neighborhood. He stated these homes are of a disappearing type and while they value famous  
29 architects and large homes, the Historical Society brought up in the past that smaller bungalow homes  
30 on the west side of town add to neighborhood character which are being lost quickly to new  
31 construction. Mr. Enck also stated they discussed with the Village Council when they lose these smaller  
32 homes, they are making it less affordable for young families to move to Winnetka. He then stated these  
33 types of homes add value to the community and neighborhood and while he would not recommend an  
34 HAIS for this property, they should be aware going forward that this is a rapidly lost type of home in the  
35 community.  
36

37 Chairperson Holland asked if there were any other comments from the Commission. No additional  
38 comments were made at this time. She then asked for a motion to grant the demolition permit for 385  
39 Rosewood. A motion was made by Mr. Weaver and seconded by Ms. Papoutsis. Chairperson Holland  
40 thanked Mr. Enck for his comments relating to this home. A vote was taken and the motion unanimously  
41 passed.

42 AYES: Enck, Good, Holland, Papoutsis, Weaver

43 NAYS: None  
44

45 **Case No. 20-16: 1180 Oakley Avenue: Preliminary Review of the application for demolition of the**  
46 **single family residence at 1180 Oakley Avenue.**

47 Mr. Marx stated the application is for a demolition permit for 1180 Oakley Avenue made by Krzysztof  
48 Marzec. He stated the property measured .3 acres and is located on the south side of Oakley. Mr. Marx

1 identified a photo of the front elevation of the home showing the location of the property as well as  
2 other homes on the block. He noted several people who live near the property sent correspondence or  
3 would like to speak to the demolition. Mr. Marx then stated the home is zoned R-3 residential and was  
4 built in 1921 with additional building permits issued in 1949 and 1999. He stated the Historical Society  
5 research indicates the property has architectural and historical significance and the original architects  
6 were Jacques Kocher and Benjamin Larson who designed several prominent buildings. Mr. Marx also  
7 stated the property has been home to several prominent Winnetka residents including Walter Schwab.  
8 He informed the Commission some of the designs from the other architects include Jacques Kocher who  
9 was a founding member of the Board of Directors of the Chicago Associated Architects who designed  
10 several prairie style homes on Chicago's south side. Mr. Marx stated Benjamin Larson was also a  
11 prominent architect who designed several historic buildings in Chicago including two in the Greater  
12 Crossing landmark district.

13  
14 Mr. Marx stated notable residents include Walter Straub who was part of the Food Rationing Division  
15 during World War II and the Department of Agriculture's Emergency Food Program. He also identified  
16 Edwin Kirschbraun, a former treasurer of the Chicago Mercantile Exchange as well as Frederick and  
17 Helen Strudel. Mr. Marx then asked if there were any questions for the Village staff. No questions were  
18 raised at this time.

19  
20 Chairperson Holland asked if the applicant is present. Mr. Norkus allowed the applicant and builder,  
21 Krzysztof Marzec and Thomas Corbett, into the meeting.

22  
23 Krzysztof Marzec informed the Commission he had been looking to move to Winnetka for many years  
24 and wanted to be a part of the Oakley Avenue community. He commented although the home is  
25 beautiful, it is quite old. Mr. Marzec stated several contractors reviewed the property and they  
26 determined the amount of work required to bring the home up to 2020 living standards is extreme and  
27 outside of his comfort zone in terms of potential renovation. He noted the footprint would be similar to  
28 the current home and it would be a traditional home which would fit the neighborhood.

29  
30 Chairperson Holland asked Mr. Marzec who looked at the home who has experience with historic  
31 restorations. Mr. Marzec responded Scott Wheeler is a renovator as opposed to a restoration. He  
32 described the work as requiring a gut rehab with a lot of unknowns and the decision was made to take  
33 the home down. Mr. Marzec confirmed he and his family would live in the home.

34  
35 Chairperson Holland asked if there were any other questions. Mr. Weaver asked what is it about  
36 Winnetka that made him want to live on that street in particular. Mr. Marzec responded he and his wife  
37 lived in Chicago over 15 years and gravitated to Winnetka. He stated it now seemed like the right time to  
38 make the move to the place they gravitated toward. Mr. Weaver asked if the home was on the market.  
39 Mr. Marzec confirmed it was listed on the MLS.

40  
41 Ms. Good stated the property was listed on the MLS for 8 days and sold for \$12,000 more than the  
42 asking price. She asked if there was a bidding war with another party. Mr. Marzec responded there were  
43 multiple parties interested in the property. He stated he did not know if the other parties were builders.

44  
45 Mr. Enck stated if it was on the MLS for such a short time, he asked if it was a private sale for the  
46 realtor's perspective and not actually available on the open market. Mr. Marzec stated his wife found  
47 the home and there was an open house that weekend. He commented the home was priced well. Mr.  
48 Enck asked if he was attracted to the prospective of tearing the home down. Mr. Marzec stated the

1 price and the size of the lot were determining factors. He informed the Commission he visited the  
2 property the first Saturday it was listed for sale and liked the street. Mr. Marzec stated there were no  
3 concrete plans at that time and saw the home's potential as is or for new construction. Mr. Enck stated  
4 they hear a lot from people that they want to move to the Village due to its positive qualities and  
5 referred to the idea of them tearing down a visually significant, 100 year old home which is a piece of  
6 the community to build something new. Mr. Marzec responded the home is extremely old and the  
7 basement is damp with outdated features. He then stated the renovation cost would further surpass a  
8 new build completely with them still having an old home. Mr. Enck asked if they looked at other vacant  
9 lots in Winnetka. Mr. Marzec stated they looked at a lot on Tower Road but did not like that location. He  
10 then stated there were no other available vacant lots at that time.

11  
12 Ms. Good stated Mr. Marzec stated he specifically like this block on Oakley and asked him why. Mr.  
13 Marzec responded after living in the city for a while, he liked the family feel of the block with children  
14 playing along with the fact there were no typical city noises. Ms. Good stated that applied to most  
15 blocks in Winnetka and asked Mr. Marzec what visually attracted him to the block. Mr. Marzec agreed  
16 there are a lot of beautiful streets in Winnetka and the combination of the lot size and peacefulness of  
17 this street satisfied what they were looking for. Ms. Good commented it is ironic that what drew them  
18 to the neighborhood would be taken away after the home is torn down. She reiterated it is a beautiful  
19 block and asked about the gate leading to the block. Ms. Good then asked Mr. Marzec to be more  
20 specific regarding the style of the home as opposed to calling it traditional. Mr. Marzec stated the home  
21 would have masonry brick material with limestone details and measure 3,400 square feet which is less  
22 than the allowable amount to be similar to other homes on the block. Ms. Good stated the home would  
23 be larger than the existing home. Mr. Marzec informed the Commission the home is not very deep and  
24 the new home would have a similar footprint but would be deeper.

25  
26 Mr. Corbett described the home as American eclectic with a limestone band, limestone sills, etc. and  
27 roof conforming to the requirements. He also stated the massing would be similar to the existing white  
28 brick home and would look similar to the home there now. Mr. Corbett stated the home's siting would  
29 be a zoning issue and the home would be 6 inches closer to the street. Ms. Good stated part of what  
30 made the current property lovely is the fact that is unaltered. She also stated from the interior photos  
31 marketed, it appeared to be a solid home and the listing sheet stated it was well maintained and only  
32 needing cosmetic changes. Mr. Corbett described the home as architecturally obsolete and was built at  
33 a time when people had servants and described the interior rooms of the home and the fact it is lacking  
34 a family room. He stated these types of homes are not meant for today's style of living and it would be  
35 difficult with regard to the floor plan. Ms. Good disagreed and commented a lot of people like old  
36 homes due to the layouts they have and referred to the issues such as mold that old homes sometimes  
37 have but did not apply here. She stated for someone who wanted a home that had the modern features  
38 they want, they should look for an empty lot and referred to the home being affiliated with two  
39 prominent architects as well as several historic Village figures along with the fact that it is a wonderful  
40 home.

41  
42 Chairperson Holland stated she never heard the phrase Mr. Corbett mentioned of being architecturally  
43 obsolete and stated 60% of Winnetka's homes are architecturally obsolete and she did not like that  
44 phrase. She asked him to not use that phrase in the future and stated her home is on the National  
45 Register of Historic Places. Chairperson Holland asked if there were any comments from the  
46 Commission.

47

1 Mr. Enck referred to the plans in the packet and referred to the homes on the street and the teardown  
2 problem in the Village. He then stated on this particular street of street on Oakley, there are 12 homes  
3 on the block and there are not many other places in the Village where no other homes have been torn  
4 down on the block yet. Mr. Enck described it as rare that the homes on the block date from 1912 to  
5 1938 which he commented should be valued. He then stated if the applicant is attracted to the street  
6 for a particular reason, the feel of the street and architecture are what made the street attractive as  
7 well as the fact that the street is intact lent a lot to the character. Mr. Enck stated it would be a shame if  
8 the home is torn especially with regard to its street presence.  
9

10 Chairperson Holland asked if there were any comments from the Commission. Mr. Weaver made a  
11 suggestion to Mr. Marzec that was inaudible because of technical difficulties with Mr. Weaver's  
12 connection. Ms. Papoutsis stated she appreciated Mr. Marzec recognizing the beauty and tranquility of  
13 the Village and they moved to the Village in 2003 from the city for the same reasons. She stated they  
14 renovated a home built in 1897 and encouraged them and the Commission's purpose to try to save old  
15 homes which are the fabric of the community. Ms. Papoutsis then stated several neighbors expressed  
16 concern and would be sad to see the home torn down. She asked Mr. Marzec to consider renovation  
17 and stated the home has architectural significance. Mr. Marzec informed the Commission they  
18 considered renovation with another builder and the conclusion is that the home would have major  
19 changes including the removal of stucco. He also stated it would be more work than cosmetic and would  
20 be a full gut rehab on the old foundation. Mr. Marzec stated they planned to remain in the Village for a  
21 long time and it made the most economic and longevity sense to start new. He reiterated the home  
22 would not deviate from the architectural feel of the street and would look as if it was part of the  
23 community from the beginning.  
24

25 Chairperson Holland asked if there were any comments. No additional comments were made at this  
26 time.  
27

28 Mr. Marx read correspondence from the following neighbors into the record: (i) Marge and Rich  
29 Franklin, (ii) Connie and Kurt Staelens, (iii) Peter Eck and (iv) Katie Moor.  
30

31 Chairperson Holland asked if there were any other members of the public who wanted to comment. Mr.  
32 Norkus allowed Mr. Eagan into the meeting. Mr. Eagan asked if the plans filed with associated  
33 documents in order for the demolition permit to be approved. Mr. Marx stated he would check to see if  
34 plans have been submitted and informed Mr. Eagan even if the demolition permit is approved by the  
35 Commission, the Community Development Department would not issue the permit until final plans for  
36 the property have been approved. He then noted new plans for the development would be available to  
37 be viewed by the public if they contact the Community Development Department ahead of time due to  
38 social distancing concerns. Mr. Corbett informed the Commission the plans are done but have not been  
39 submitted yet. Mr. Eagan then stated due to the age of the street, there is no storm water system  
40 servicing the street and asked how it would be dealt with since there is no storm water question. Mr.  
41 Corbett responded it would be reviewed in conjunction with the storm system requirements. Mr.  
42 Marzec stated they would be building a new storm sewer system on Oakley once the project is  
43 completed. Mr. Eagan asked with regard to parking and street size if it could be turned into one way  
44 during construction. Mr. Corbett referred to a home they built at 477 Hawthorn where the street was  
45 even narrower but they planned to work with everyone to get it done.  
46

47 Connie Staelens, 1170 Oakley, stated she lives next door and agreed with the comments made. She  
48 added she is sad that the home would be torn down and stated the street contained special homes and

1 had a special feeling. Connie agreed traffic would be an issue and is concerned that the new home  
2 would be 1,000 square feet bigger and deeper which would affect their backyard. Mr. Marzec reiterated  
3 the footprint would be similar to the existing home and identified the location of where the rear of the  
4 home would extend. He then described the shape of the building for Connie. Mr. Marzec stated the  
5 plans would be made public when they are available and with regard to the safety comments, the  
6 project would not take two years to complete and would last one year at the most. Mr. Corbett  
7 confirmed it would take 10-11 months to build the home. He added the plans may be available at the  
8 beginning of September. Mr. Marx stated Connie can check with the Community Development  
9 Department to see if the plans have been submitted.

10  
11 Mr. Norkus asked Peter Eck for his comments. He stated his written comments related to safety and  
12 asked if the applicant could speak to the plans to keep the area safe and minimize impact on the  
13 surrounding areas since it is not a pass through street. Mr. Corbett responded they have built close to  
14 100 homes on the North Shore over the last 17 years with no accidents. He also stated the Village is  
15 vigilant in maintaining sites and safety. Mr. Corbett explained how the equipment would be brought to  
16 the community with demolition being the worst part of the project. Mr. Eck stated he had no further  
17 questions.

18  
19 Mr. Norkus asked Caller No. 10 if there were any comments. Moore provided written comments and  
20 asked the Commission if there were any Winnetka homes that can be saved. Mr. Marx responded the  
21 only homes that can be saved which are Village designated landmarks and a home being on the National  
22 Register did not protect it from being demolished. He noted there are no historic preservation districts  
23 in the Village. Mr. Marx also stated the Village helps interested homeowners go through the landmark  
24 process with the Commission and Village Council having some authority. Chairperson Holland noted  
25 there are few ways a home may be protected, one of which is to have easements given to Landmarks  
26 Illinois. She stated they have two national landmarks in the Village, Crow Island School and the Frank  
27 Lloyd Wright home. Chairperson Holland confirmed there is no permanent protection for the home, only  
28 easements. She added there are 29 landmarked homes in the Village. Ms. Moore stated she understood  
29 it would be a huge undertaking to renovate the home and is sad the home would be taken down. Ms.  
30 Good stated just because a home is on the National Register did not mean it is protected and offered no  
31 protection whatsoever. She stated if the home is a national landmark, it is protected. Mr. Enck added  
32 property tax freezes are a significant option. Ms. Moore stated she had no further questions.

33  
34 Mr. Norkus asked Mr. Cohn if he had any comments. Mr. Cohn responded he stated his concerns. Mr.  
35 Norkus confirmed there were no other call-in members of the public.

36  
37 Chairperson Holland asked if there were any other comments from the Commission. No comments  
38 were made at this time. She stated the Commission would now deliberate on the demolition request for  
39 1180 Oakley. Chairperson Holland then read the two motions from page 2 of the packet of materials.  
40 She stated the property met condition no. 4 and asked for the Commission Members' comments. Ms.  
41 Good stated the home had historical significance given the two prominent architects who designed the  
42 home to warrant an HAIS as well as with regard to the home's ownership history. No additional  
43 comments were made at this time. Chairperson Holland then asked for a motion for an HAIS for 1180  
44 Oakley.

45  
46 Ms. Papoutsis noted the Historical Society research stated the property has architectural and historical  
47 significance and in connection with the appreciation of the neighbors for the home, an HAIS is  
48 warranted. Chairperson Holland again asked for a motion for an HAIS pursuant to criteria no. 4. Mr. Enck

1 moved to ask for an HAIS. Ms. Good seconded the motion. A vote was taken and the motion  
2 unanimously passed.

3 AYES: Enck, Good, Holland, Papoutsis, Weaver

4 NAYS: None

5

6 Mr. Marx explained the HAIS process to the applicant.

7

8 **Case No. 20-13: 141 Sheridan Road: Preliminary Review of the application for demolition of the single**  
9 **family residence at 141 Sheridan Road.**

10 Mr. Marx noted no written materials were received for this matter and stated the Commission asked for  
11 an HAIS which was submitted and included in the agenda materials. He identified photos of the property  
12 in the PowerPoint presentation and described details of the property. He then asked if there were any  
13 questions. Chairperson Holland noted a minor error in the HAIS to be corrected. Mr. Norkus allowed the  
14 applicant's team into the meeting.

15

16 Jean Guarino stated the home was built in two stages in 1923 with the garage and service wing built in  
17 1928. She stated the home is set far back and is not visible from Sheridan Road and is fronted by  
18 another home built in 1999. Ms. Guarino described the home as having stucco and clad materials and a  
19 gable roof form. She stated the home's interior had bare integrity since all of the original windows had  
20 been removed and replaced. Ms. Guarino described the home's interior finishes included wood paneled  
21 library, two original fireplaces, etc.

22

23 Ms. Guarino stated she determined the home did not possess significance at a national, statewide or  
24 local level and the home did not exemplify a specific style of architecture including Colonial Revival and  
25 neo classical elements, but determined that the home does have statewide architectural significance as  
26 an unusual residential design by Edward Oldefest and Theodore Williams. Ms. Guarino then asked if  
27 there were any questions.

28

29 Ms. Good stated there was discussion relating to a tree where a Native American event occurred and if  
30 she was able to get any information on that. Ms. Guarino stated she found no information relating to  
31 that event and is not sure where that information came from. Ms. Good asked if it came from the  
32 Historical Society. Ms. Guarino responded she went through the Historical Society files and did not find  
33 that information. Chairperson Holland stated the Historical Society letter from Meagan McChesney and  
34 Mary Treischmann, Executive Director of Winnetka Historical Society, did not contain any information  
35 about the tree and read the last paragraph from the letter.

36

37 Chairperson Holland asked if there were any other comments. Mr. Enck asked if an HAIS requirement is  
38 for floor plans to be included which were included in past HAIS reports. Chairperson Holland responded  
39 that would be up to the preparer of the report as to whether floor plans are included. Mr. Marx stated  
40 in terms of HAIS requirements, he did not see anything specifying whether floor plans needed to be  
41 included as part of the report but would check the code thoroughly.

42

43 Mr. Norkus informed the Commission a call was received from the applicant's architect, Gary Frank, who  
44 asked to be allowed into the meeting. Chairperson Holland referred to a photo on page 10 and  
45 corrected the address to 1211 N. LaSalle.

46

47 Mr. Frank stated with regard to the tree, the Historical Society report stated it is a Willow tree which is  
48 not on the property. He then stated the question regarding the tree is moot since they do not own a

1 Willow tree. Ms. Good confirmed they spoke about the tree at the last meeting. Mr. Frank stated while  
2 there are two large trees at the corner of the property, he assumed that was the tree they were talking  
3 about it. He also stated the property may have been subdivided and confirmed their property has no  
4 Willow tree.

5  
6 Chairperson Holland referred to the last sentence from Ms. Guarino's report which read: "While the  
7 architectural style is not unusual for these architects or for the time period in which it was constructed,  
8 it is representative and therefore, holds some historic value. In short, we understand the position of the  
9 report in that it is complete and appreciates how the additional research lead to the report's original  
10 conclusion but we are not comfortable stating that the property has no historical or architectural value."  
11 She noted there is no reference to a Willow tree in the Historical Society letter dated July 14, 2020.

12  
13 Chairperson Holland stated the HAIS was submitted the day following the July 2020 meeting and asked  
14 Mr. Frank if he solicited the report from another architectural historian besides Ms. Guarino. She  
15 commented it is insulting to the Commission for Mr. Frank to come to the meeting armed with an HAIS  
16 report before they looked at the proposal. Mr. Frank responded when they found out a building permit  
17 had not been applied for as a result of unfortunate events, he has been doing this for 30 years and the  
18 Village should have known he needed the permit as part of the application package. He then stated once  
19 he found out they did not have the permit, Mr. Marx suggested based upon the Commission making its  
20 decision based on the Historical Society findings, he may want to consider an HAIS would be needed.  
21 Mr. Frank stated the HAIS was done because the application was not timely presented and knowing the  
22 Commission may want the study, he worked with Ms. Guarino to get the study timelier than the other  
23 architectural historian. He then stated as a former DRB chairman, he worked to resolve steps to get  
24 permits in a timely fashion and commented getting the HAIS study done was the right thing to do.

25  
26 Chairperson Holland asked Ms. Guarino for any comments on the HAIS. Ms. Guarino stated with regard  
27 to the Historical Society's comment that the building was representative, in her opinion, the home is an  
28 amalgam of a variety of styles and did not exemplify a particular style.

29  
30 Chairperson Holland asked if there were any questions for Ms. Guarino with regard to the HAIS. Mr.  
31 Enck asked with regard to the HAIS format, there is not a particular format it needed to follow and as  
32 they evaluate the ordinance, they should discuss the items that should be included going forward. He  
33 stated the HAIS is not meant to make the case for demolition but is to document the home before it is  
34 torn down. Ms. Guarino stated it was her understanding that the Commission wanted the synopsis up  
35 front in the HAIS as opposed to at the end of the report. She then stated with regard to the floor plans,  
36 she included them in previous reports if they are available.

37  
38 Mr. Frank stated he asked Mr. Marx if they wanted floor plans and was informed floor plans are not  
39 required for the HAIS. He then stated he can provide them for the HAIS if the Commission wanted. Mr.  
40 Enck stated the Commission can discuss whether they want them included in the future. He then stated  
41 if Mr. Frank had the floor plans, to pass them along to the Historical Society. Mr. Frank confirmed he  
42 would.

43  
44 Chairperson Holland asked if there were any other questions. Ms. Good referred to page 13 and the  
45 Evaluation of Architectural Significance section and she questioned the use of the word "statewide" and  
46 if Ms. Guarino elevated it to that status after performing the research. Ms. Guarino responded local  
47 significance is Winnetka only but since the architects designed buildings out of Winnetka, that is why  
48 she included statewide.

1 Chairperson Holland again asked if there were any other questions. Ms. Good referred to Chairperson  
2 Holland's comments relating to the fact the HAIS was done before the Commission voted on it, she  
3 stated for the record, while she understood Mr. Frank's logic, she was surprised that it was not revealed  
4 at the beginning of the meeting and only after the discussion of the home's significance.

5  
6 Chairperson Holland again asked if there were any comments from the Commission, the audience or Ms.  
7 Guarino. Mr. Norkus stated Mr. Marzec is still present and asked if he had any comment. No additional  
8 comments were made at this time.

9  
10 Chairperson Holland then stated the Commission has to determine in accordance with Section 15.52.040  
11 of the Village code that the building, structure and/or property warrants an HAIS and the impact study is  
12 approved as submitted and the demolition may be permitted. She asked if there were any comments  
13 from the Commission. Ms. Good stated the HAIS is complete and to move forward with a vote.

14  
15 Mr. Weaver seconded the motion. A vote was taken and the motion unanimously passed. Mr. Enck  
16 asked for the floor plans to be included with the final version of the HAIS.

17 AYES: Enck, Good, Holland, Papoutsis, Weaver

18 NAYS: None

19  
20 Mr. Marx then stated if the Commission wanted to vote to approve the demolition as indicated on page  
21 3, he asked the Commission to identify which of the standards qualified as a reason for the delay as well  
22 as to establish whether it is architecturally or historically significant and the impact on the Village as a  
23 whole or on the immediate neighborhood.

24  
25 Chairperson Holland asked if a statement needed to be made that there were no issues with regard to  
26 the way the meeting proceeded. Mr. Schoon asked the applicant if they felt they were adequately able  
27 to present their case and there were no technical difficulties. Mr. Frank responded the few technical  
28 issues were resolved and they were able to answer the Commission's questions adequately.

29  
30 Mr. Schoon confirmed a motion is needed to allow the demolition without delay or to allow the  
31 demolition.

32  
33 Ms. Good moved to approve the demolition permit without delay. Mr. Enck seconded the motion and  
34 added for the record while there is deterioration that made reuse of the property difficult, he is  
35 disappointed by the level of waste involved. He stated with regard to ordinance changes and the new  
36 strategic plan for the Village, he referred to sustainability factors and there should be more of a  
37 deconstruction approach.

38  
39 Chairperson Holland moved to state the HAIS for 141 Sheridan Road prepared by Ms. Guarino is  
40 complete and that the proposed demolition will not have a significant architectural or historical impact  
41 on the Village as a whole or on the immediate neighbor and based upon these findings, the demolition  
42 may proceed without delay. A vote was taken and the motion unanimously passed.

43 AYES: Enck, Good, Holland, Papoutsis, Weaver

44 NAYS: None

45  
46 **OLD BUSINESS**

47 a. September 21, 2020 Meeting - Quorum Check

48 The Commission Members discussed their availability.

1 **PUBLIC COMMENT**

2 Chairperson Holland asked if there were any public comments. Mr. Norkus confirmed no public  
3 comment was made at this time.  
4

5 **ADJOURNMENT:**

6 Chairperson Holland asked for a motion to adjourn. A motion was made and seconded by Ms. Papoutsis.  
7 A vote was taken and the motion unanimously passed.

8 AYES: Enck, Good, Holland, Papoutsis, Weaver

9 NAYS: None

10

11 The meeting adjourned at 10:37 p.m.

12

13 Respectfully submitted,

DRAFT

# MEMORANDUM VILLAGE OF WINNETKA

## COMMUNITY DEVELOPMENT DEPARTMENT

**TO:** LANDMARK PRESERVATION COMMISSION  
**FROM:** CHRISTOPHER, MARX, AICP, ASSOCIATE PLANNER  
**DATE:** SEPTEMBER 15, 2020  
**SUBJECT:** CASE NO. 20-17-LPC: 885 PRIVATE ROAD - DEMOLITION PERMIT

<b>INTRODUCTION</b>	
Meeting Date	September 21, 2020
Commission Action	Preliminary historical and architectural review to determine if a Historical Architectural Impact Study (HAIS) is necessary or if a demolition permit can be issued without delay.
Property Address	885 Private Road (See Attachment A – Aerial Map)
Property Owner	885 Private LLC
Application Submitted by	Vu Trieu (See Attachment - Application)
Mail Notice Sent to Property Owners within 250 feet	Completed
Public Comments as Date of Memo	None
<b>PROPERTY DESCRIPTION</b>	
Size	0.57 acres
Location	North side of Private Road between Sheridan Road and Old Green Bay Road
Improvements	Single-family residence with attached garage
Zoning	R-2 Single Family Residential
Surrounding Zoning	R-2 Single Family Residential
<b>PROPERTY HISTORY</b>	
Constructed	1957
Additional Construction Activity	1970 – Enclose existing porch, single family residence
Winnetka Historical Society (WHS)	The WHS research does not indicate that the Subject Property has any historical or architectural significance. While several long-time Winnetka residents lived in the house, the WHS did not find any significant contributions to local, regional, or national history. The property was designed by James C. Schnur, who designed several Winnetka properties of which many have since been demolished. The property does not appear to contain any significant architectural elements.
<ul style="list-style-type: none"> <li>• Historical Significance</li> </ul>	<ul style="list-style-type: none"> <li>• Residents</li> </ul>

	<ul style="list-style-type: none"> <li>• Chester Sargent, Senior Partner at engineering firm Sargent &amp; Lundy;</li> <li>• Walter and Dorothy Leck; and</li> <li>• David and Jean Stremmel, long-time Winnetka residents; Jean Stremmel volunteered at the Hadley Institute</li> </ul>
• Architectural Significance	James C. Schnur
<b>NEIGHBORHOOD CONSTRUCTION ACTIVITY</b>	
Other Permits for New Single-Family Homes on Same Block (either side of the right-of-way block face and/or along the alley)	None
Director's 60-Day Delay Due to Construction Activity	Delay is not necessary to prevent undue congestion and noise impacts in the neighborhood.

## COMMISSION REVIEW

The Commission may consider one of the following two motions (1) Historical Architectural Impact Study Required or (2) Demolition Without Delay.

### Historical Architectural Impact Study Required

The Commission finds that based upon the (1) preliminary property history study, (2) the Winnetka Historical Society comments, and (3) other information, comments, or evidence received by the LPC during its preliminary review **that the building and/or property is of sufficient historic or architectural merit to warrant conducting a Historical Architectural Impact Study (HAIS) prior to issuance of the demolition permit.** The Commission reached its conclusion based upon the property meeting the following criteria [**Commission would note which criteria is met**]:

1. The property or structures have been designated a landmark pursuant to Chapter 15.64 of the Village Code;
2. The property or structures have been included in the most recent Illinois Historic Structure Survey conducted under the auspices of the Illinois Department of Conservation;
3. The property or structures have been listed on the National Register of Historic Places or the Illinois Register of Historic places; and
4. The property or structures have sufficient architectural or historical merit to warrant a full HAIS prior to issuance of a demolition permit.

### Demolition Without Delay

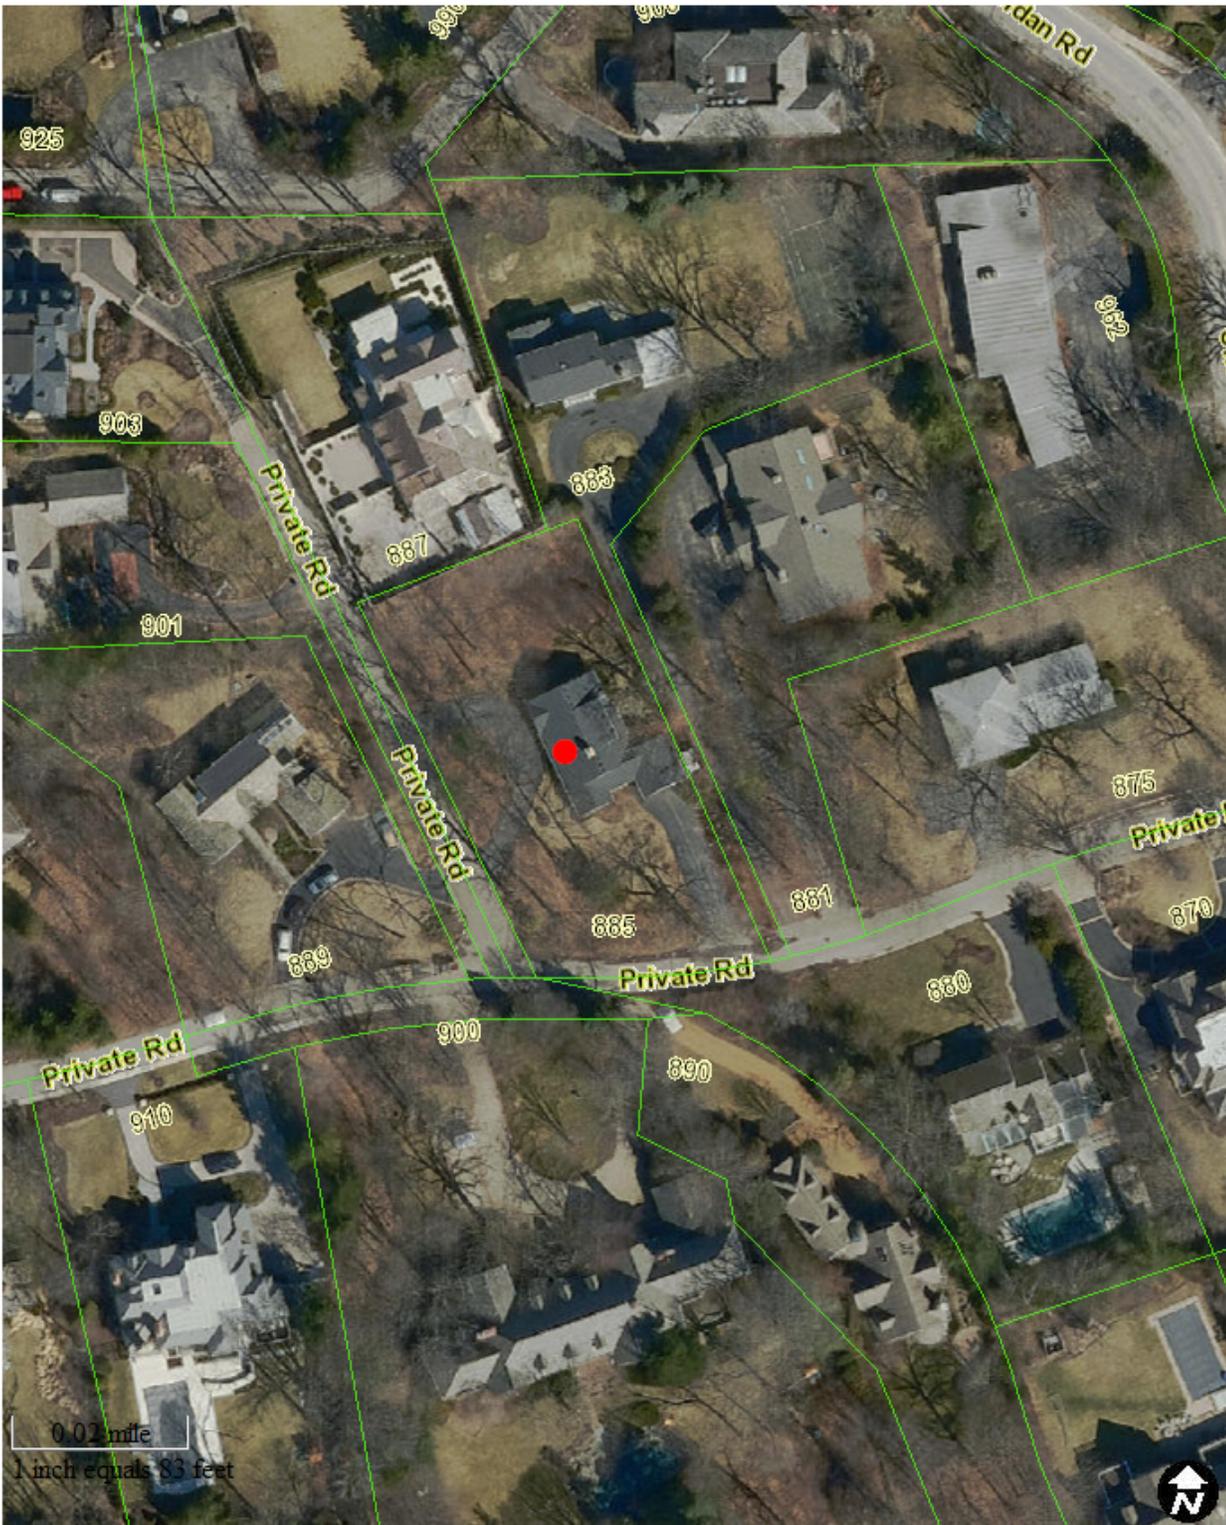

The Commission has determined that in accordance with Section 15.52.040 of the Village Code that the building and/or property is not of sufficient historic or architectural merit to warrant a Historical Architectural Impact Study, and the demolition of the structure may proceed without delay.

**MEMORANDUM  
VILLAGE OF WINNETKA**

**COMMUNITY DEVELOPMENT DEPARTMENT**

**TO: WINNETKA HISTORICAL SOCIETY**  
**FROM: CHRISTOPHER MARX, AICP, ASSOCIATE PLANNER**  
**DATE: AUGUST 20, 2020**  
**SUBJECT: CASE NO. 20-17: 885 PRIVATE ROAD**

**INTRODUCTION**

On September 21, 2020, the Landmark Preservation Commission (LPC) will consider a request to demolish the residence and attached garage 885 Private Road. Please return any available information regarding the architectural and historical significance of the structure to my attention by the end of the day on Thursday, September 10, 2020. If you have any questions please feel free to send an email to [cmarx@winnetka.org](mailto:cmarx@winnetka.org) or call me at (847) 716-3587.

Chester and Mabel Sargent	1957 – 1967	Real estate slip; Chicago Tribune obituary	Chester Sargent was a senior partner at Sargent & Lundy, an engineering firm founded by his father, Frederick Sargent
Walter C. and Dorothy L. Leck	1967 – 1978	Real estate slip; 1969 phone book; Winnetka Talk obituary	
David H. and Jean Stremmel	1979 – 2019	1979 phone book; 2013 phone book; Winnetka Talk obituary	Long-time Winnetka residents; Jean Stremmel volunteered at Hadley School for the Blind

**SIGNIFICANT EVENTS ON PROPERTY:** N/A

**ARCHITECTS:**

ARCHITECT NAME	DATE AND DESCRIPTION OF PROJECT	INFORMATION ATTACHED
James C. Schnur	1957; construct residence	List of Schnur properties in Winnetka

**RESEARCH SOURCES USED:**

Property files, Chicago Tribune, Winnetka Talk, historic phone books, Winnetka Historical Society digital records, Google search

**Date of Research:** 9/8/2020

Our research does not indicate that this property has any historic or architectural significance. While several long-time Winnetka residents lived in the house, we did not find any particularly significant contributions to local, regional, or national history. In addition, while the property was designed by James C. Schnur, who designed several Winnetka properties (many of which

have since been torn down), this property does not appear to contain any significance architectural elements.

**Submitted by:**

Meagan McChesney, PhD  
Curator, Winnetka Historical Society

## Death Notice: Jean Stremmel

Winnetka Talk (IL) - September 27, 2018

- Edition: Final WTK
- Section: News
- Page: 28
- Readability: 10-12 grade level (Lexile: 1170)

Stremmel, Jean Jean Stremmel, 90, of Winnetka, passed away at home on August 18, 2018. Born in Royal Oak, Michigan, Jean was adopted by James and Margaret Porter, living the rest of her childhood in Ionia and Hubbardston before attending the University of Michigan in 1942-46. There she met David whom she later married in 1950. Jean matched her husband's business acumen with a fervid devotion to charitable activities, holding leadership posts in the Friends of Orphans and recording books at Hadley School for the Blind. Jean regularly attended concerts, plays and opera, and volunteered in the SavoyAires. Jean played bridge on a regular schedule. She also played golf and tennis, sailed in tournaments on Lake Michigan, and went on ski trips with David and their friends.?

David & Jean moved up to Hubbard Woods in 1978 where she lived in the same house for the last 40 years of her life. They entertained friends at Skokie Club while expanding their global itinerary after first trips to Europe in the 1960's and the Far East in the 1970's. International travel continued for Dave's business in the 1980's and then with friends and educational tours until David's death in 2007. Jean traveled to Southern Africa on her own in 2008, and then to Persia in 2009.?

Jean is survived by a son in Nevada, and a daughter, married in Massachusetts. Sign Guestbook at [chicagotribune.com/obituaries](http://chicagotribune.com/obituaries)

## Walter C. Leck

Walter C. Leck, 82, formerly of Winnetka and Wilmette, died June 22 in Sun City, Ariz., his home since his retirement in 1977.

Mr. Leck lived in Wilmette for many years before moving to Winnetka in 1967. He retired in 1977 after 47 years with State Mutual Assurance Company of Worcester, Mass., the last 22 years Chicago general agent for the company.

Mr. Leck graduated from the University of Illinois in 1934, and throughout his life maintained a lively interest his alma mater, serving as president and director of the Alumni Association and as a member of the President's Council.

After retirement he moved to Sun City, where he was active in the formation and funding of the Congregational Church of Sun City. He was a life member of the Union League Club of Chicago and the Palmbrook Country Club in Sun City.

He is survived by his wife, Dorothy L.; a son Walter Jr.; a daughter, Martha L. Mason; two grandchildren; and his sister, Ruth Best.

A memorial service will be held on Wednesday at the Congregational Church of Sun City. Memorial contributions may be made to the Fund for the Memorial Wing of the Congregational Church of Sun City, 1840 N. 99th Ave., Sun City AZ 85373.

## Obituaries

### Chester F. Sargent

Private memorial services will be held for Chester F. Sargent, 94, a retired consulting engineer, who died Tuesday at the Presbyterian Home in Evanston. Mr. Sargent had been a resident of Winnetka until recently. He retired in 1952 as a senior partner in Sargent & Lundy, a worldwide engineering firm founded in 1893 by his father, Frederick. Surviving are two daughters, Mrs. Douglas Swett and Mrs. Chapin Litton; four grandchildren; and four great-grandchildren.

### Mrs. Victor Iwaniw

Mass for Mary A. Iwaniw, 32, of Deltona, Fla., will be said Friday in Deltona. Mrs. Iwaniw, formerly of Chicago, died Tuesday in her home. She and her husband, Victor J., a former Chicago policeman, had lived in Chicago all their lives before moving to Florida in June to open a printing shop in Altamonte Springs. Besides her husband, Mrs. Iwaniw is survived by two daughters, Christina M. and Katrina R.; her mother and father, Rose and Joseph Cordelio; three sisters; and a brother.

### Harry R. McCarthy

Mass for Harry R. McCarthy, 53, of Palos Heights, will be at 10 a.m. Saturday in St. Alexander Catholic Church, 125th Street and 71st Avenue, Palos Heights. Mr. McCarthy died Tuesday in Mercy Hospital, Chicago. He was secretary-treasurer of L&M Cultured Marble in Worth and a longtime engineer for the Chicago Board of Education. He was a member of the South Side Builders Association. He is survived by his wife, Mary; four daughters, Joan, Mary Jo, Beth, and Colleen; four sons, Kevin, Robert, Thomas, and Brian; his father, Raymond J.; a brother; and two sisters.

### Mrs. Walter F. Dewitz

Mrs. Marjorie A. Dewitz, 70, a retired stenographer, died Wednesday in a hospital in Lagrange, Ind. A native of Chicago, she had been a stenographer for a Chicago printing firm and moved to Lagrange in 1962. Surviving are her husband, Walter F., a retired steam and pipe fitter, and a sister. Services will be held Saturday in Lagrange.

### Morris R. Stanley

Services for Morris R. Stanley, 82, of Homewood, will be held at 2 p.m. Friday in the chapel at 18022 Dixie Hwy., Homewood. Mr. Stanley died Tuesday in South Suburban Hospital, Hazel Crest. He was a former vice president of Stauffer Chemical Co. and later a chemical consultant. He is survived by his wife, Adeline; two daughters, Alice Daggy and Margaret Gessner; seven grandchildren; two great-grandchildren; and two sisters.

### Otis A. Rosborough

Services for Otis A. Rosborough, 34, a former executive with the Vapor Corp. of Chicago, will be held Saturday in Clearwater, Fla. Mr. Rosborough died Sunday in Mease Hospital, Dunedin, Fla. He worked for the Vapor Corp. for 52 years before he left to become a consultant. In 1965, he moved to Compass Lake, Fla. He is survived by 3 sons, Carl, Otis, and Paul; a daughter, Mrs. Carlene Eads; 2 brothers; 2 sisters; 14 grandchildren; 25 great-grandchildren and 1 great-great-grandchild.

### Mrs. Kathryn Merrill

A memorial service for Mrs. Kathryn Hathaway Merrill, 90, formerly of Evans-

ton, will be held Saturday in Lovers Lane Methodist Church, Dallas. Mrs. Merrill died last Saturday in Newport Beach, Cal. She was the widow of Robert Dillon Merrill Sr., merchandising manager for the Oliver Corp. and an official of the Business Service Defense Administration in Washington. She is survived by three sons, Robert Jr., Kent, and James; eight grandchildren; and six great-grandchildren.

### Genevieve R. Carter

A memorial service for Genevieve R. Carter, 66, former supervisor of record centers for Natural Gas Pipeline Co. of America, 122 S. Michigan Av., will be held at 11 a.m. Monday in Buena Memorial Presbyterian Church, 4301 N. Sheridan Rd. Miss Carter, formerly of 777 N. Michigan Av., died Oct. 17 in Sun City, Ariz., where she moved upon retiring a year ago. She is survived by two sisters.

### Florence G. Hall

Memorial services for Florence G. Hall, 39, formerly of Lake Bluff, will be held at 2 p.m. Thursday in Union Church of Lake Bluff, 525 E. Prospect St. Mrs. Hall, the widow of Walter Hall, died Tuesday in a La Grange retirement home. She is survived by a son, Robert; three sisters; and three grandchildren.

### Jacob Kanofsky

Services for Jacob Kanofsky will be held at noon Thursday in the chapel at 3019 W. Peterson Av. Mr. Kanofsky, 89, died Tuesday in Rush-Presbyterian-St. Luke's Medical Center. He is survived by his wife, Rose; two daughters, Mildred Slavin and Eva Ellman; five grandchildren; two great-grandchildren; and a brother.

### Sister Mary Jude Burke

Mass for Sister Mary Jude Burke, 74, will be said at 11 a.m. Thursday in Mercy Manor, 421 N. Lake St., Aurora, where she died Saturday. Sister Mary Jude has served in Mercy Center and the old St. Joseph Mercy Hospital in Aurora as well as Mercy Hospital in Janesville, Wis. Surviving are two brothers and six sisters.

### Wesley Ellis Lighty

Services for Wesley Ellis Lighty, of the South Side, will be at 7 p.m. Friday in the Metropolitan Community Church, 4100 S. King Dr. Mr. Lighty died Monday in Grant Hospital. He was office supervisor for the Angelair Bridal Co., 416 S. Franklin St., where he had worked for 20 years. He is survived by his wife, Margaret, an assistant principal in the Woodson-North Elementary School; a stepson, Ozell Bonds; a stepdaughter, Charmaine Bonds; and two brothers.

### Victor J. Nuccio

Mass for Victor J. Nuccio, 58, a glazier, will be said at 11 a.m. Thursday in St. Michael Catholic Church, 8200 W. Addison St. Mr. Nuccio, who worked for Hayes Glass Co., died Sunday in the University of Illinois Hospital. He is survived by his wife, Viola; two sons, Victor and Robert; four daughters, Irene, Terry, Joan, and Jayne; two brothers; a sister; and seven grandchildren.

### Frances Rice Cerney

Mass for Frances Rice Cerney, 65, of Chicago, will be at 10 a.m. Friday in Five Holy Martyrs Catholic Church, 4327 S. Richmond St. Mrs. Cerney died Monday in Holy Cross Hospital. She is survived by a daughter, Madorna Elen-teny; a son, Thomas; two grandchildren; and a sister.

**Property Maintenance Requirements**

During processing of the demolition permit, it is important that the owner and contractor maintain the property in accordance with the Village Property Maintenance Code to avoid generation of nuisances. Accordingly, the following minimum requirements shall be adhered to:

- Grass shall be mowed and maintained at a height not to exceed 8 inches.
- Garbage, yard waste, miscellaneous rubbish, mail, and debris shall be removed from the property and not allowed to accumulate.
- Building(s) shall be secured (doors and windows in working order, closed and locked).
- No demolition or removal of building components may commence until the demolition permit has been issued. Commencement of demolition prior to issuance of permit will result in a Stop Work Order and double permit fees for all subsequent permits
- Approved tree fencing protections must be installed as directed by Village Forester prior to commencement of demolition. Lack of tree fencing will result in Stop Work Order and fines.

I (I/We) hereby agree to demolish the above structure or portion thereof, in accordance with the information submitted herewith and in strict compliance with all provisions of the Building Code and other related ordinances and regulations of the Village of Winnetka, and I (I/We) hereby consent to inspection of the work during demolition and to the responsibility of maintaining the subject site and adjacent public and private properties in [redacted]

**Acknowledgement of Owner and Applicant Property Maintenance Responsibilities**

I hereby acknowledge that in submitting the attached application for demolition, the subject property is and will continue to be maintained in accordance to all requirements of the Winnetka Village Code, including but not limited to the following specific standards:

- Grass is, and shall be, mowed and maintained at a height not to exceed 8 inches;
- Garbage, yard waste, miscellaneous rubbish, and debris have been removed from the property and will not be allowed to accumulate;
- Building(s) shall [redacted] in working order, closed and locked).

# MEMORANDUM VILLAGE OF WINNETKA

## COMMUNITY DEVELOPMENT DEPARTMENT

**TO:** LANDMARK PRESERVATION COMMISSION  
**FROM:** CHRISTOPHER, MARX, AICP, ASSOCIATE PLANNER  
**DATE:** SEPTEMBER 15, 2020  
**SUBJECT:** CASE NO. 20-18-LPC: 460 ASH STREET - DEMOLITION PERMIT

<b>INTRODUCTION</b>	
Meeting Date	September 21, 2020
Commission Action	Preliminary historical and architectural review to determine if a Historical Architectural Impact Study (HAIS) is necessary or if a demolition permit can be issued without delay.
Property Address	460 Ash Street (See Attachment A – Aerial Map)
Property Owner	Mary Singh Rajpal Living Trust
Application Submitted by	460 Ash LLC - represented by Jon Kogan (See Attachment D – Application Materials)
Mail Notice Sent to Property Owners within 250 feet	Completed
Public Comments as Date of Memo	None
<b>PROPERTY DESCRIPTION</b>	
Size	0.376 acres
Location	Southeast side of Ash Street between Fairview Avenue and Sheridan Road
Improvements	Single-family residence with attached garage
Zoning	R-4 Single Family Residential
Surrounding Zoning	R-4 Single Family Residential
<b>PROPERTY HISTORY</b>	
	See Attachment B, Preliminary Property History See Attachment C, Winnetka Historical Society Report
Constructed	Construction date uncertain, possibly 1895 or 1904
Additional Construction Activity	1983 – Construct a dormer on the attic
Winnetka Historical Society (WHS)	The WHS research does not indicate that the Subject Property has any historical or architectural significance. Very little information is available about the property’s former residents. It is unclear when the property was originally constructed and how it was altered over time.
<ul style="list-style-type: none"> <li>• Historical Significance</li> <li>• Architectural Significance</li> </ul>	None
<b>NEIGHBORHOOD CONSTRUCTION ACTIVITY</b>	

Other Permits for New Single-Family Homes on Same Block (either side of the right-of-way block face and/or along the alley)	None
Director's 60-Day Delay Due to Construction Activity	Delay is not necessary to prevent undue congestion and noise impacts in the neighborhood.

**COMMISSION REVIEW**

The Commission may consider one of the following two motions (1) Historical Architectural Impact Study Required or (2) Demolition Without Delay.

**Historical Architectural Impact Study Required**

The Commission finds that based upon the (1) preliminary property history study, (2) the Winnetka Historical Society comments, and (3) other information, comments, or evidence received by the LPC during its preliminary review **that the building and/or property is of sufficient historic or architectural merit to warrant conducting a Historical Architectural Impact Study (HAIS) prior to issuance of the demolition permit.** The Commission reached its conclusion based upon the property meeting the following criteria **[Commission would note which criteria is met]:**

1. The property or structures have been designated a landmark pursuant to Chapter 15.64 of the Village Code;
2. The property or structures have been included in the most recent Illinois Historic Structure Survey conducted under the auspices of the Illinois Department of Conservation;
3. The property or structures have been listed on the National Register of Historic Places or the Illinois Register of Historic places; and
4. The property or structures have sufficient architectural or historical merit to warrant a full HAIS prior to issuance of a demolition permit.

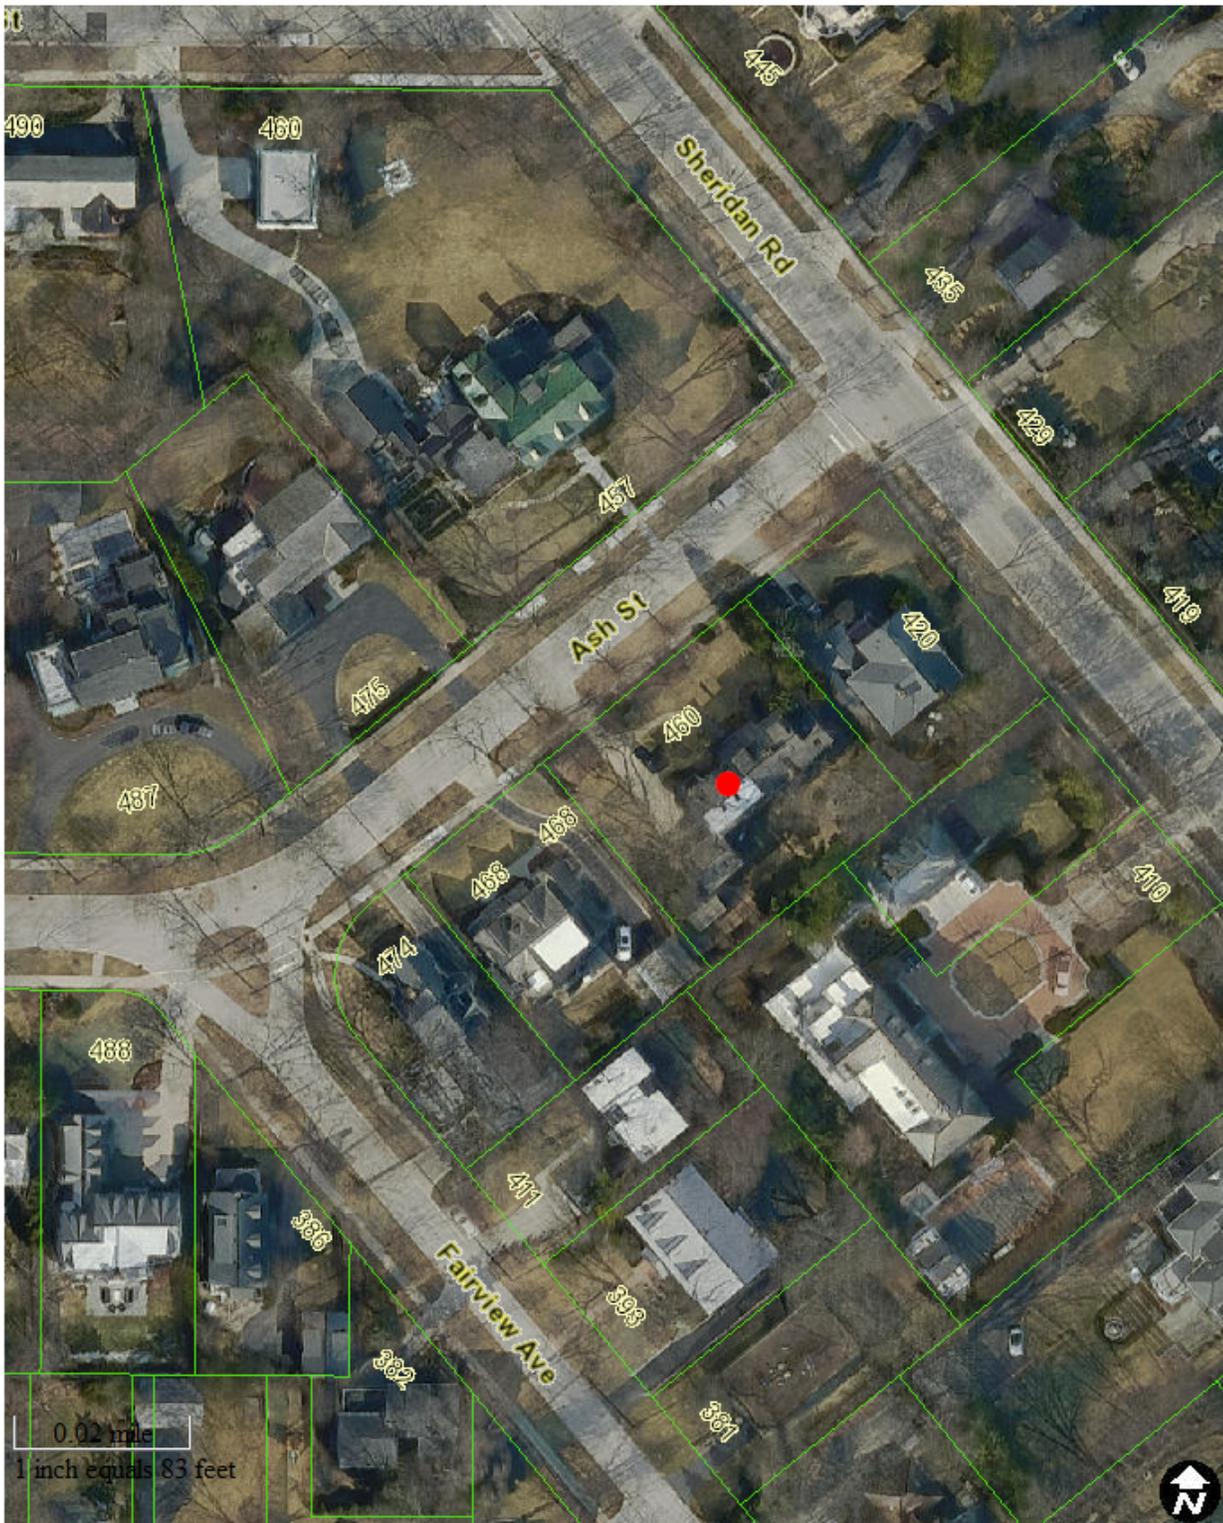

**Demolition Without Delay**

The Commission has determined that in accordance with Section 15.52.040 of the Village Code that the building and/or property is not of sufficient historic or architectural merit to warrant a Historical Architectural Impact Study, and the demolition of the structure may proceed without delay.

**MEMORANDUM  
VILLAGE OF WINNETKA**

**COMMUNITY DEVELOPMENT DEPARTMENT**

**TO: WINNETKA HISTORICAL SOCIETY**  
**FROM: CHRISTOPHER MARX, AICP, ASSOCIATE PLANNER**  
**DATE: AUGUST 20, 2020**  
**SUBJECT: CASE NO. 20-18: 460 ASH STREET**

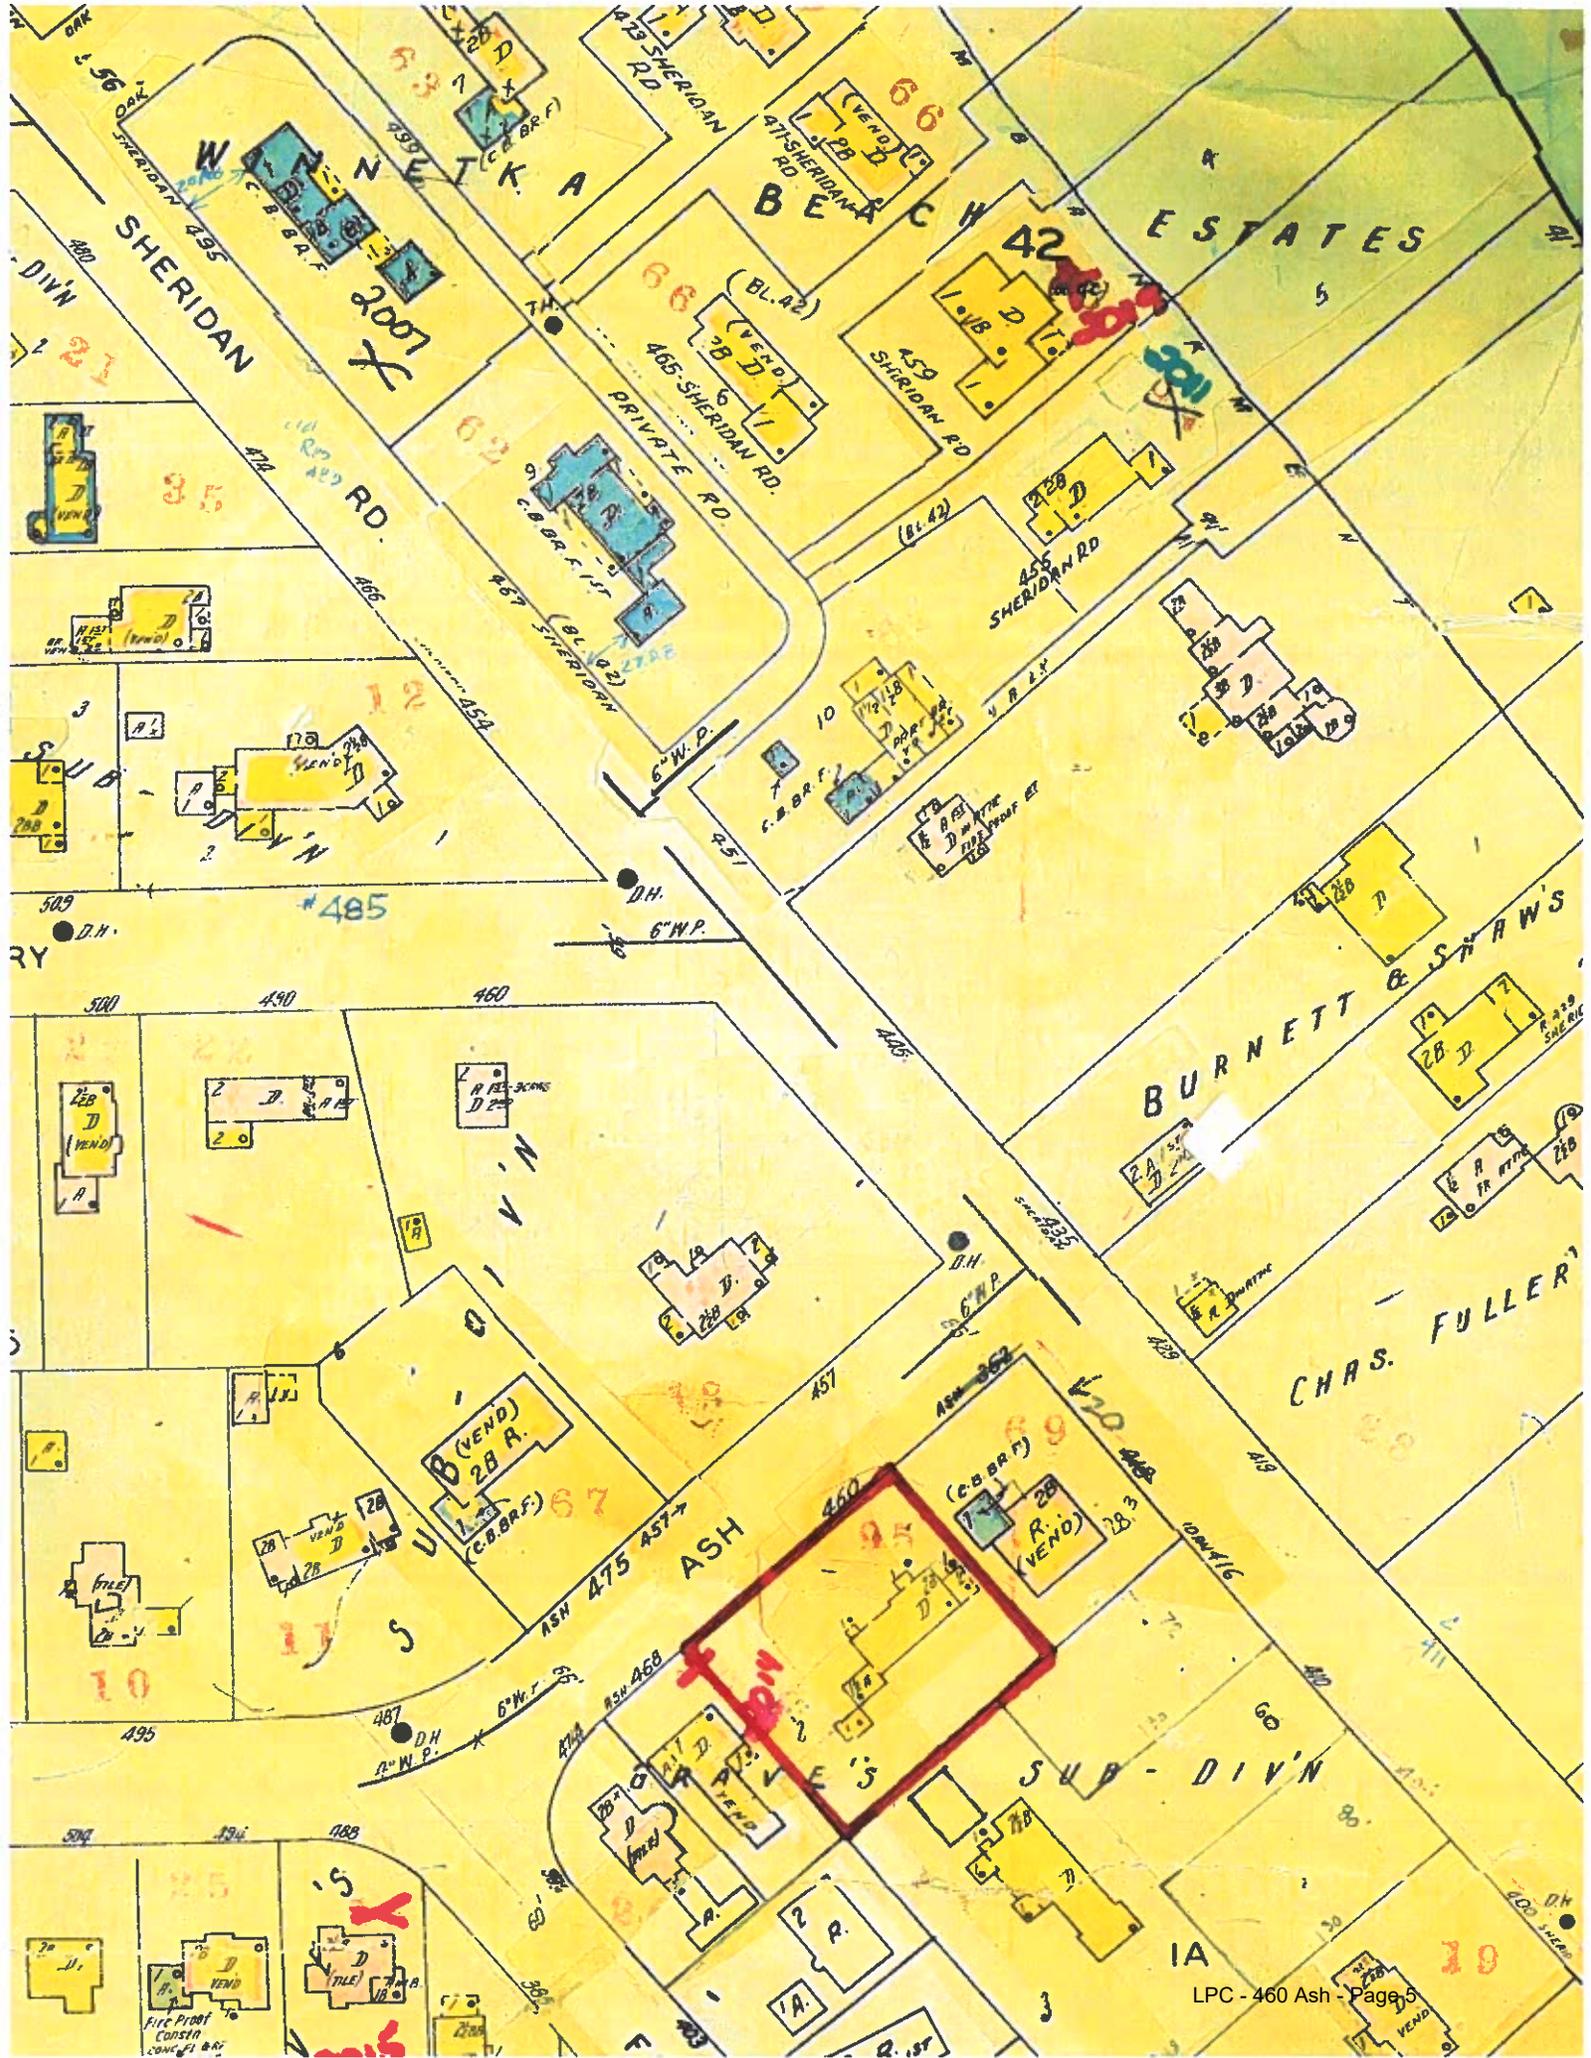

**INTRODUCTION**

On September 21, 2020, the Landmark Preservation Commission (LPC) will consider a request to demolish the residence and attached garage 460 Ash Street. Please return any available information regarding the architectural and historical significance of the structure to my attention by the end of the day on Thursday, September 10, 2020. If you have any questions please feel free to send an email to [cmarx@winnetka.org](mailto:cmarx@winnetka.org) or call me at (847) 716-3587.

7-21-1983	Construct she dormer on attic 2 ½ story & basement frame residence	Mr. and Mrs. Anthony Reynes	Bill Schroeder

## PROPERTY RESEARCH COVERSHEET

**Address:** 460 Ash

**Construction Details:**

Original construction date: 1904\*

Construction type: Aluminum

Style: Colonial revival

\*Possibly 1895. Our digital records indicate 1895 as the build date (according to sewer permit records). The Cook County Assessor dates this property to 1904 (see attached).

**OWNERSHIP HISTORY:**

OWNER NAME	DATES OCCUPIED	INFORMATION ATTACHED	SIGNIFICANCE
?*	1904 – 1954	Real estate slip	
Dr. William B. and Mary W. Wartman	? – 1969	Real estate slip; 1954 phone book	
Charles and Beverly Herndon	Approx. 1970 – 1981	Real estate slip; 1975 phone book	
Robert F. and Ann Works	1981 – 1983	Real estate slip	
Jose Antonio (Anthony) and Wendy Warner Reynes	1983 – 1995	Winnetka Talk property sales announcement	
Surjit and Mary Rajpal	1995 – Present	Winnetka Talk property sales announcement; 2011 phone book	

\*This property is not listed in the phone books prior to the 1950s. The Cook County Assessor and the real estate slip for the sale of the home in 1946 show that it was already built despite not being listed.

**SIGNIFICANT EVENTS ON PROPERTY: N/A**

**ARCHITECTS:**

ARCHITECT NAME	DATE AND DESCRIPTION OF PROJECT	INFORMATION ATTACHED
Bill Schroeder	1983; Construct a dormer on the attic & basement frame residence	

**RESEARCH SOURCES USED:**

PastPerfect database, Winnetka Talk, phone books, property files, Google search, Ancestry.com, ProQuest

**Date of Research:** 9/2/2020

Our research does not indicate that this property has any historic or architectural significance. Very little information is available about the property or the former residents. In addition, the records regarding the build date are inconsistent. Therefore, it is unclear when the property was originally constructed and how it may have been altered over time.

Legal Name: HIBBARD BUILDERS INC

Address: 95 RENE DR UNIT H

City, State, ZIP: NORTHBROOK IL 60062

Phone No. [REDACTED]

Email: [REDACTED]

**Property Maintenance Requirements**

During processing of the demolition permit, it is important that the owner and contractor maintain the property in accordance with the Village Property Maintenance Code to avoid generation of nuisances. Accordingly, the following minimum requirements shall be adhered to:

- Grass shall be mowed and maintained at a height not to exceed 8 inches.
- Garbage, yard waste, miscellaneous rubbish, mail, and debris shall be removed from the property and not allowed to accumulate.
- Building(s) shall be secured (doors and windows in working order, closed and locked).
- No demolition or removal of building components may commence until the demolition permit has been issued. Commencement of demolition prior to issuance of permit will result in a Stop Work Order and double permit fees for all subsequent permits
- Approved tree fencing protections must be installed as directed by Village Forester prior to commencement of demolition. Lack of tree fencing will result in Stop Work Order and fines.

\_\_\_\_ (I/We) hereby agree to demolish the above structure or portion thereof, in accordance with the information submitted herewith and in strict compliance with all provisions of the Building Code and other related ordinances and regulations of the Village of Winnetka, and \_\_\_\_ (I/We) hereby consent to inspection of the work during demolition and to the responsibility of maintaining the subject site and adjacent public and private properties

**Acknowledgement of Owner and Applicant Property Maintenance Responsibilities**

I hereby acknowledge that in submitting the attached application for demolition, the subject property is and will continue to be maintained in accordance to all requirements of the Winnetka Village Code, including but not limited to the following specific standards:

- Grass is, and shall be, mowed and maintained at a height not to exceed 8 inches;
- Garbage, yard waste, miscellaneous rubbish, and debris have been removed from the property and will not be allowed to accumulate;
- Building(s) shall be secured (doors and windows in working order, closed and locked).

- The legal description used to perform this survey was supplied by others. The survey does not determine or imply ownership.
  - This survey only shows improvements found above ground. Underground footings, utilities, and encroachments are not located on this survey map.
  - If there is a septic tank, well or drain field on this survey, the location of such items was shown to us by others and are not verified.
  - This survey is exclusively for the use of the parties to whom it is certified.
  - Any additions or deletions to this 1 page survey document are strictly prohibited.
  - Dimensions are in feet and decimals thereof.
  - Due to varying construction standards, house dimensions are approximate.
  - Any FEMA flood zone data contained in this survey is for informational purposes only. Research to obtain such data was performed at www.fema.gov.
  - All pins marked as set are 5/8" diameter, 18" iron rebar.
  - Unless specifically stated otherwise, an examination of the abstract of title was not performed by the signing surveyor to determine which instruments, if any, are affecting this property.
  - Points of Interest (POI) are selected above-ground improvements which may be in conflict with boundary, building setback, or easement lines, as defined by the parameters of this survey. There may be additional POI's which are not shown, not called-out as POI's, or which are otherwise unknown to the surveyor. These POI's may not represent all items of interest to the viewer.
  - Utilities shown on the subject property may or may not indicate the existence of recorded or unrecorded utility easements.
  - The information contained in this survey has been performed exclusively and is the sole responsibility of Exacta Land Surveyors, LLC. Additional logo or references to third party firms are for informational purposes only.
  - House measurements should not be used for new construction or planning. Measurements should be verified prior to such activity.
  - Survey bearings are used for angular references and are used to show angular relationships of lines only and are not related or oriented to true or magnetic north. Bearings are shown as survey bearings, and when shown as matching those on the subdivision plats on which this survey is based, they are to be deemed no more accurate as the determination of a north orientation made on and for those original subdivision plats. North 0 degrees east is assumed and upon preparation of this plat, the resulting bearing between found points as shown on this survey is the basis of said survey bearings as defined and required to be noted by Illinois Administrative Code Title 68, Chapter VII, Sub-Chapter B, Part 1270, Section 1270.56, Paragraph B, Sub-Paragraph 6, Item L.

# MEMORANDUM VILLAGE OF WINNETKA

## COMMUNITY DEVELOPMENT DEPARTMENT

**TO:** LANDMARK PRESERVATION COMMISSION  
**FROM:** CHRISTOPHER, MARX, AICP, ASSOCIATE PLANNER  
**DATE:** SEPTEMBER 15, 2020  
**SUBJECT:** CASE NO. 20-19-LPC: 644 PINE LANE - DEMOLITION PERMIT

<b>INTRODUCTION</b>	
Meeting Date	September 21, 2020
Commission Action	Preliminary historical and architectural review to determine if a Historical Architectural Impact Study (HAIS) is necessary or if a demolition permit can be issued without delay.
Property Address	644 Pine Lane (See Attachment A – Aerial Map)
Property Owner	Chicago Title Land Trust Company Trust No. 8002383985
Application Submitted by	Doug Minahan (See Attachment D – Application Materials)
Mail Notice Sent to Property Owners within 250 feet	Completed
Public Comments as Date of Memo	None
<b>PROPERTY DESCRIPTION</b>	
Size	1.72 acres
Location	West side of Pine Lane, between Ardsley Road and Hibbard Road
Improvements	Single-family residence with attached garage and detached coach house
Zoning	R-2 Single Family Residential
Surrounding Zoning	R-2 Single Family Residential
<b>PROPERTY HISTORY</b>	
Constructed	1922
Additional Construction Activity	1929 – Build garage and alter residence; 1930 - Addition to residence; 1932 - Addition to residence; 1936 - Construct two bath houses for swimming pool; 1937 - Addition to residence and added garage; 1946 - Alter residence and add 2-car garage; 1969 - Second floor addition
Winnetka Historical Society (WHS)	The WHS research indicates that there is both architectural and historical significance for the Subject Property. The original architect of the property is Edwin H. Clark who designed many prominent buildings in Winnetka and the Chicago region. The property was also home to several prominent Village residents.

<ul style="list-style-type: none"> <li>Historical Significance</li> </ul>	<ul style="list-style-type: none"> <li>Residents. <ul style="list-style-type: none"> <li>Donald F. McPherson, an accomplished Chicago attorney, and Frances Ogden McPherson, great niece of William B. Ogden, the first Mayor of Chicago.</li> <li>Ralph N. Isham, who was the son of Ralph N. <ul style="list-style-type: none"> <li>Architectural Significance</li> </ul>	Edwin H. Clark, a prominent architect of many Winnetka buildings and homes including Village Hall and North Shore Country Day School. Clark also designed buildings at Lincoln Park Zoo, Wilmette’s Plaza del Lago, and Chicago’s Century of Progress exposition.
<p><b>NEIGHBORHOOD CONSTRUCTION ACTIVITY</b></p>	
Other Permits for New Single-Family Homes on Same Block (either side of the right-of-way block face and/or along the alley)	None
Director’s 60-Day Delay Due to Construction Activity	Delay is not necessary to prevent undue congestion and noise impacts in the neighborhood.

**COMMISSION REVIEW**

The Commission may consider one of the following two motions (1) Historical Architectural Impact Study Required or (2) Demolition Without Delay.

**Historical Architectural Impact Study Required**

The Commission finds that based upon the (1) preliminary property history study, (2) the Winnetka Historical Society comments, and (3) other information, comments, or evidence received by the LPC during its preliminary review **that the building and/or property is of sufficient historic or architectural merit to warrant conducting a Historical Architectural Impact Study (HAIS) prior to issuance of the demolition permit.** The Commission reached its conclusion based upon the property meeting the following criteria **[Commission would note which criteria is met]:**

1. The property or structures have been designated a landmark pursuant to Chapter 15.64 of the Village Code;
2. The property or structures have been included in the most recent Illinois Historic Structure Survey conducted under the auspices of the Illinois Department of Conservation;

3. The property or structures have been listed on the National Register of Historic Places or the Illinois Register of Historic places; and
4. The property or structures have sufficient architectural or historical merit to warrant a full HAIS prior to issuance of a demolition permit.

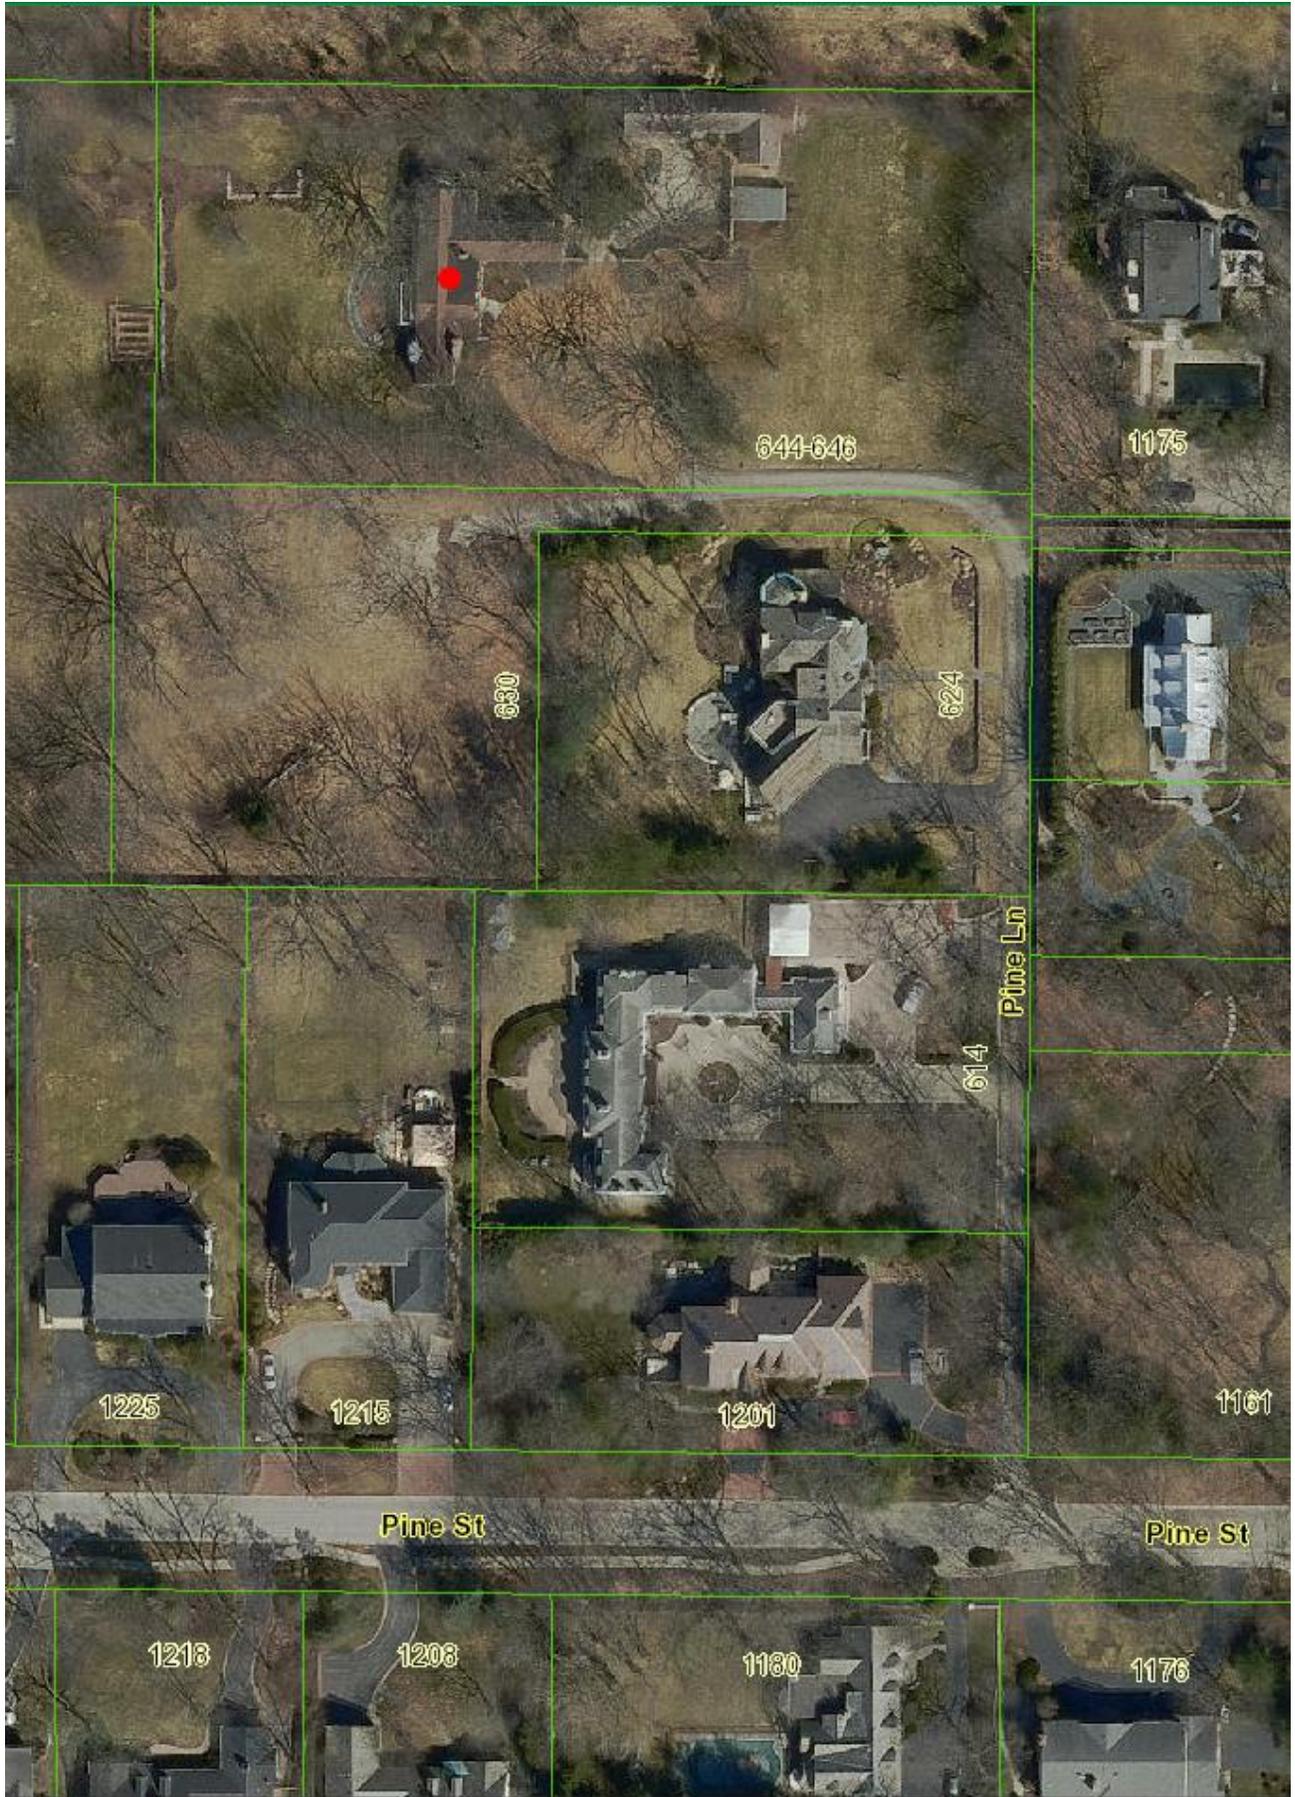

#### **Demolition Without Delay**

The Commission has determined that in accordance with Section 15.52.040 of the Village Code that the building and/or property is not of sufficient historic or architectural merit to warrant a Historical Architectural Impact Study, and the demolition of the structure may proceed without delay.

## PROPERTY RESEARCH COVERSHEET

**Address:** 644 Pine Lane

**Construction Details:**

Original construction date: 1922

Construction type: Brick

Style: Maryland Colonial

**OWNERSHIP HISTORY:**

OWNER NAME	DATES OCCUPIED	INFORMATION ATTACHED	SIGNIFICANCE
Donald F. McPherson and Frances Ogden McPherson	1922 – 1942	1925 phone book; Real estate slip; Winnetka Talk obit	Donald McPherson was an attorney at Sidley, McPherson, Austin & Burgess in Chicago. He was a captain in the Army during WWII, served for two years as the president of the Chicago Council on Foreign Relations and was a member of the Winnetka Village Council. Frances Ogden McPherson was the great niece of William B. Ogden, the first Mayor of Chicago.
Ralph N. Isham, Jr.	Approx. 1943 – approx. 1953	Gazette article, Chicago Tribune obituary, Northwestern University profile on Ralph N. Isham, Sr., Cook County marriage record, Chicago Tribune marriage announcement	Son of Ralph N. Isham, founder of the medical school now known as the Northwestern Feinberg School of Medicine, brother of George S. Isham (son-in-law of Donald F. and Frances McPherson), husband of Eleanor Dennehy (of the Dennehy Estate, which became the Forest Glen subdivision), brother-in-law of and Josephine Dennehy and her husband Nicholas Galitzine of Russia (VP of ComEd in Chicago). Nicholas was the son of Prince Paul Galitzine of Smolensk, a Russian aristocrat and relative of the Czar. Isham was also the brother-in-law of Hemptead Washburne, son of Hemptead Washburne, a former Mayor of

			Chicago.
Harold and Margaret Nutting	Approx. 1954 – 1962	Real estate slip; 1954 phone book; Winnetka Talk obituaries	Harold Nutting was the former executive VP and general manager of Marshall Field and Co., chairman of the board to trustees of Presbyterian-St. Luke's Hospital, chairman and chief executive officer of Overseas Industries, Inc., chairman of Thomas Moulding Brick Co., VP of Chicago YMCA, former president of the Chicago Better Business Bureau, VP and trustee of the Frozen Food Foundation, director of the National Retail Dry Goods Association, and was on the University of Chicago's Citizen's Board. Locally, Harold Nutting was a former director of North Shore Country Day School.
Charles L. and Alice "Patty" Harper	1963 - 1981	1963 phone book; 1979 phone book; obituary	Charles Harper was a Navy veteran, former president of H.M. Harper Company in Morton Grove and later VP of American Car and Foundry in Houston as CEO/General Manager of its WKM division. He also competed in the Olympic trials for rowing, helping the team qualify for the 1952 Olympics (where the US team and his boat won gold).
Andrew K. Block	Approx. 1982 – approx. 2020	1987 phone book; 2013 phone book	

**SIGNIFICANT EVENTS ON PROPERTY: N/A**

**ARCHITECTS:**

ARCHITECT NAME	DATE AND DESCRIPTION OF PROJECT	INFORMATION ATTACHED
Edwin H. Clark and Chester H. Walcott	1922; Build residence	1960 real estate slip; Gazette article on 760 Bryant (another Clark-designed home); Art Institute of Chicago's collections biography on

		Clark.*
Edwin H. Clark	1930; Addition to residence	
Edwin H. Clark	1932; Addition to residence	
Edwin H. Clark	1936; Construct two bath houses for swimming pool	
Edwin H. Clark	1937; Addition to residence and added garage	
L.W. Schwall (likely Laurence Schwall)	1946; alter residence and added 2-car garage	Chicago Tribune obituary
Wendt, Cedarholm & Tippens	1969; second floor addition	Chicago Tribune article

**RESEARCH SOURCES USED:**

Phone books, property files, Chicago Tribune, Winnetka Talk, WHS digital files, The Gazette, Google search, Ancestry.com

**Date of Research:** 8/31/2020

Our research indicates that this property does have architectural and historical significance. The original architect of the property, Edwin H. Clark (along with his second business partner Russell Walcott, after previously partnering with William Otis) was a prominent architect who designed several well-known and/or historic buildings in the Chicagoland area, including several at the Lincoln Park Zoo (including the Administration building, Reptile House, and Primate House), the Brookfield Zoo, the Lake Forest Public Library, Hinsdale Village Hall, the Latin School of Chicago, Lake Forest Academy, and Willmette’s Plaza del Lago. Clark also designed several buildings for the 1933-1934 Century of Progress exposition in Chicago. In addition, Clark designed and co-designed some of the nationally-historic buildings at the National Zoological Park in Washington, D.C. (perhaps most notably the Elephant House).\*

Locally, Clark was the architect of many significant Winnetka buildings, including several historic homes, schools, and public buildings. In particular, Clark was the architect of Winnetka’s Village Hall (a local landmark building), North Shore Country Day School, Greeley School (in partnership with William Otis), and Indian Hill Club.\*\* Clark also served as Winnetka’s Park Commissioner in the late 1930s.

Additionally, this property has been home to several prominent Winnetka residents, including Donald F. McPherson, an accomplished Chicago attorney, and Frances Ogden McPherson, great niece of William B. Ogden, the first Mayor of Chicago. McPherson likely sold the property to his son-in-law’s brother Ralph N. Isham, who was the son of Ralph N. Isham Sr., the founder of Northwestern’s Feinberg School of Medicine. Isham was married to Eleanor Dennehy of the Dennehy Estate in Winnetka, which later became the Forest Glen subdivision. In addition, Isham was the brother-in-law of Josephine Dennehy and her husband Nicholas Galitzine, a Prince of Russia (and later the VP of ComEd in Chicago). Nicholas Galitzine was the son of Prince Paul Galitzine of Smolensk, a Russian aristocrat and relative of the Czar. Isham was also the brother-in-law of Hemptead Washburne, son of Hemptead Washburne, another former Mayor of Chicago.

In addition, 644 Pine Lane was also home to Harold Nutting, the former executive VP and general manager of Marshall Field and Co., chairman of the board to trustees of Presbyterian-St. Luke's Hospital, chairman and chief executive officer of Overseas Industries, Inc., chairman of Thomas Moulding Brick Co., VP of Chicago YMCA, former president of the Chicago Better Business Bureau, VP and trustee of the Frozen Food Foundation, and director of the National Retail Dry Goods Association. Nutting was also the former director of North Shore Country Day School.

\*Read more about Clark's prestigious career and his involvement with the National Zoo in Washington, D.C. in the National Park District's Historic American Buildings Survey here: <http://lcweb2.loc.gov/master/pnp/habshaer/dc/dc1000/dc1027/data/dc1027data.pdf>.

## Ralph Nelson Isham

---

Ralph Nelson Isham was born in the town of Mannheim, New York in 1831. After acquiring a good academic education at the Herkimer Academy, at Little Falls, NY, he entered upon the study of medicine and received the degree of M.D. from the University of the City of New York Bellevue Hospital Medical College in 1854. He then served a full term as house physician and surgeon in Bellevue Hospital, at the completion of which he moved to Chicago in November 1855 to enter into practice.

In 1859 he joined with others in the organization of the medical department of Lind University, later the Chicago Medical College, later known as the Northwestern University Medical School, and accepted the chair of surgical anatomy and operative surgery. In the discharge of his duties he acquired a high reputation as a teacher and as a successful surgical operator.

During the Civil War, 1861-1865, he served as a member of the sanitary Commission, and was one of its organizers. He twice went south with supplies and doctors and was in the field at the battle of Shiloh. During the war he led the United States Marine Hospital at Chicago, which then was a military hospital. He continued in charge of the Marine Hospital for several years after the war ended.

At various times he has served as professor of surgery in the Northwestern University, surgeon to the Jewish Hospital, now the Michael Reese Hospital, member of the board of trustees of the North Star

Dispensary, surgeon to the Presbyterian Hospital, consulting surgeon to the Passavant Hospital, and delegate to the International Medical Congress in London in 1881.

He was one of the original guarantors of the Chicago orchestra, also at one time a trustee of the Central church. He was a member of various clubs, societies and organizations, and a member of nearly all of the medical societies, being honorary member of the New York Medical Society.

**NOTABLE FACT:** It was in Dr. Isham's office that the organizational meeting for the Lind University medical department took place and he became the youngest faculty member. Lind University is now known as the Northwestern University Feinberg School of Medicine.

# GARDEN CLUB'S JOSEPHINE GALITZINE

By **Kenan Heise**  
CHICAGO TRIBUNE

AUGUST 18, 1988

**J**osephine Dennehy Galitzine, 76, was a former president of the Lake Forest Garden Club and past woman's champion golfer at Onwentsia Club in Lake Forest.

Mass for Mrs. Galitzine, a lifelong resident of Lake Forest, will be said at 3 p.m. Friday in St. Mary's Catholic Church, 175 E. Illinois Rd., Lake Forest. She died Tuesday in Lake Forest Hospital.

"She was very quiet and unassuming," her daughter Marina Carney said.

"She was an avid gardener and mad for azalea plants. She was the only one I knew who could keep them over from year to year. She was interested in and grew roses, orchids and African violets."

Mrs. Galitzine had been a 5-handicap golfer at Onwentsia.

Her husband, Nicholas, a Chicago business leader, served as vice president of Commonwealth Edison Co. and president of United Charities. He was the son of Prince Paul Galitzine of Smolensk, a Russian aristocrat and relative of the czar.

Survivors, besides her daughter, include two other daughters, Alexandra Pleasants and Josephine Hadow; nine grandchildren; five great-grandchildren;

and a sister.

## Before Forest Glen – The Dennehy Estate

Categories: Gazette

*By Tane Beecham*

Someone out for a stroll through Hubbard Woods in the early 1900s would have observed many new homes going up as the area became increasingly populated with family-sized houses on manageable lots. One would also have taken note of a very large 10-acre wooded plot of land on the north side of Tower Road, dwarfing much of the subdivided land surrounding it.

Referred to on historic maps as “Dennehy’s Consolidation,” the property was the estate of Thomas C. Dennehy. It was sold to C. A. Hemphill and Associates in 1939, and became the 38 residences of the Forest Glen subdivision.

Walking through Forest Glen now it is difficult to imagine the romance of this once large sprawling estate. Slightly rolling and completely wooded, the land encompassed a large mansion serving as the Dennehy family’s summer residence.

Thomas C. Dennehy acquired the property at 1231 North Avenue (later renamed Tower Road) by 1905, choosing the property as a summer season complement to the family's glamorous home on Astor Street in Chicago's Gold Coast. The Dennehy estate burned down sometime during the 1930s.

The Dennehy name, now largely forgotten, was at one time associated with the pinnacles of wealth and prominence in Chicago.

Born in 1858 to a Chicago family operating a successful liquor distributorship, Dennehy entered the family business at age 17. The success of the Clear Springs Distilling Company brought the Dennehys significant wealth and established them as one of Chicago's most prominent families.

In 1900, at the age of 41, Dennehy married another Gold Coast resident, Virginia Inderrieden, age 26. During the next few years they lived in several Gold Coast residences, finally settling in 1913 on a four-story home at 1549 Astor Street with ten bedrooms and a magnificent ballroom. With the onset of Prohibition in 1920, Mr. Dennehy redirected his business endeavors into commercial real estate.

The Dennehys acquired their Hubbard Woods property with plans to use it primarily as a summer retreat. Thomas and Virginia Dennehy proceeded to raise seven children there – all of whom married into equally prominent families.

Their daughter Josephine married former Prince Nicholas Galitzine of Russia in 1932 and became known as Princess Josephine. Another daughter, Eleanor, married Ralph Isham, son of Northwestern University Medical College founder and owner of the

Gold Coast residence known as the Playboy Mansion. A third daughter, Mary, was wed to Hempstead Washburne, son of the former Chicago Mayor also named Hemptead Washburne.

Society pages took note of Dennehy marriages, some of which were held at their Winnetka home, as well as other family milestones. For daughter Mary's 18th birthday, her father gave her a birthday gift of Chicago real estate worth over \$4 million in today's dollars.

The Thomas C. Dennehy family lived in Winnetka for over 30 years. And while their roots were very much in Chicago, the family personified the historical link between the big city and the small town up north. Society, business, and culture kept them in the city, but in summer their hearts always drew them to Winnetka. ■

*Thanks to Dennehy family historian Charles Askins for inspiring and contributing research to this story.*

 Obituary

 Service Details

Charles Little Harper passed away peacefully in his sleep on December 14th at age 86, surrounded by family in his home in North Tustin, California. A devoted father of 6 and grandfather of 23, "Charlie" put his faith, trust and ultimate hope in Jesus of Nazareth and his gift of eternal life. Born March 23rd, 1930 in Evanston, Illinois, son of Margaret Little Harper and Harvey Mitchell Harper of Winnetka, brother to Mitch and Kenny Harper, Charlie attended the Hotchkiss School and Princeton University. A graduate in engineering, he was commissioned in the US Navy, serving 1952-4 in the Arctic and Mediterranean as LTJG. Charlie was a mid-boat "engine room" rower in the famous Princeton crew team that took 2nd in the US Olympic trials to Navy, the boat that won gold for the USA in Helsinki in 1952. In 1955 he married Alice "Patty" Fall with whom he had 6 children, Charles, Margaret, Greta, Alice, Serena and Paisley, raising their family both in Winnetka and Houston. After Patty's death in 2003, he married her youngest sister Margaret in 2004, mother of 4 and grandmother of 9. They lived in Orange County, CA and in Joe's Pond, VT. Charlie worked for his father, founder of the H. M. Harper Company of Morton Grove, IL, manufacturing stainless steel and high-tech metallurgical extrusions with a workforce of over 2000. He rose to the position of President over 2 1/2 decades with the company through 1978. In 1981 he accepted a VP position with American Car and Foundry in Houston as CEO/General Manager of its WKM division, manufacturing high-tech subsea valves and related products for the offshore oil industry worldwide. Charlie was an avid sportsman, sailor and outdoor enthusiast throughout his life, competing in star boat competitions nationally and in volleyball competitions locally; also introducing his children and grandchildren to skiing, snorkeling, SCUBA, waterskiing, canoeing, hunting and fishing. His great legacy is found in his family, for whom he was a constant champion. Exceptional dedication to family extended to church, philanthropic and community activities, including support for evangelism, school building projects and volunteering in retirement with the Silver Fox Advisors, Executive Service Corps and several churches, including most recently the Covenant Presbyterian Church of Orange, CA, where a funeral service will be held on Saturday December 17th at 1pm. A family burial service will be held in Glenwood Cemetery, of Houston, Tuesday at 2 pm.

# LAURENCE SCHWALL, 81, ARCHITECT OF MORE THAN 2,000 BUILDINGS

By **David Heinzmann**, Tribune Staff Writer  
CHICAGO TRIBUNE

NOVEMBER 4, 1999

**A**rchitect Laurence Schwall's first and only thoughts of retiring came at age 80, when his declining health made it difficult for him to descend the stairs every day to the basement studio in his Northbrook home.

Mr. Schwall, who designed more than 2,000 buildings in his 59-year career, died at 81 Saturday in a Deerfield nursing home.

"He never even talked about retiring until a year ago after he had a stroke," said his stepdaughter, Leslie Boyd.

Born and raised in Wilmette, Mr. Schwall lived and practiced on the North Shore.

Among the buildings he designed are the Morton Grove Library, the Niles-Skokie Post Office, Glenview Village Hall, Fire Station No. 5 in Evanston, the Chalet Club in Glenview, Underwriters Laboratory, Hackney's restaurants and many other institutional and commercial buildings.

Mr. Schwall studied architecture at the University of Illinois. He would design any style clients wanted, said his wife, Phyllis, but his personal love were contemporary styles influenced by Frank Lloyd Wright's Prairie School.

Since 1968, the Schwalls lived in a home that Mr. Schwall designed, she said. He included a basement studio where he worked.

Mr. Schwall was an active member of St. Philip the Apostle Catholic Chyurch in Northfield. He designed the church's convent and rectory. He also supported the Divine Word Missionaries in nearby Techny, said Boyd, who added that her stepfather was as modest as he was generous.

"He was very much a behind-the-scenes kind of guy. We didn't even know about many of the things he supported until this week," she said.

Other survivors include a son, Steve; a sister, Frances Baker; and four grandchildren. Funeral services have been held.

## DONALD F. McPHERSON

Donald Fraser McPherson, 59, a Chicago attorney since 1909, died Friday, March 17, in his home at 1430 Lake Shore drive in Chicago, after a long illness. Services were held Monday afternoon in Christ church chapel, Winnetka. Mr. McPherson was a resident of Winnetka for 20 years until two years ago, when he moved to Chicago. Surviving are his widow, Frances, a great niece of William B. Ogden, Chicago's first mayor; a son, Sgt. Donald Fraser Jr., and two daughters, Mrs. Willard N. Drown and Miss Sally Anne McPherson.

Mr. McPherson was a member of the firm of Sidley, McPherson, Austin & Burgess and specialized in corporation law. Graduated from Princeton university, he studied law at Harvard and Northwestern universities. During World War I he served as a captain in the army. He was active in many civic organizations and served for two years as president of the Chicago Council on Foreign Relations. In Winnetka he was a member of the Village council.

## MRS. FRANK F. FOWLE

Services for Mrs. Edna Cowper Fowle of 233 Ridge avenue, Winnetka, were held Monday in the

of the Grad in Winnetka. of the Civic Chicago.

## MRS. PHIL C.

Mrs. Mary of Phil C. home at 605 Friday, March 17, in her home. A graduate of the University of Chicago. Mrs. Barber War I in Red Cross work, and later secretary of the Winnetka Club. She married and, moving to Winnetka, lived here for many years.

She became a member of the Glencoe Club, the Glencoe center fare Society, the Scouts, and the Winnetka Club and devoted much of her other civic activities until her illness several years ago.

Her love of good humor, and as a hostess, she had a circle of friends.

She leaves a son, Thomas H. Barbers, Martha daughter, and a son-in-law, Albert Harris Barbers.

## Biography

Edwin Hill Clark was born in Chicago, Illinois, on April 11, 1878, and was educated at Phillips Academy, Yale University, and in England, France and Germany. He began practicing architecture in 1906, establishing the partnership Otis & Clark. During World War I he served as a U.S. Naval Reserve Lieutenant. In 1920 he established the firm Clark and Walcott where he worked for five years. Some of his prominent works include the Chicago Zoological Park, the Lincoln Park Administration Building, the Primate House and Aquarium, the Winnetka Village Hall, and the Hinsdale Memorial Building. He was the architect for many private residences in the Chicago area and throughout the United States, including Mrs. James Ward Thorne's home in Santa Barbara, California.

## Scope and Contents

Series I contains photographs of Clark's projects, arranged alphabetically by city location, then by project name; a few family photographs are located at the rear. Series II contains a scrapbook album documenting Clark's architectural career, and a second scrapbook documenting his military career. Series III includes twelve five-year diaries for the years 1901 to 1960. Series IV includes blueprints for the Kenneth Boyd Residence.

## 760 Bryant Avenue

Categories: [Gazette](#)

*Gazette Article by: Cindy Fuller*

*Appeared in the Gazette: Fall 1998*

### Tribute to a Classic Style

The house at 760 Bryant Avenue is a classic example of Colonial Revival, an architectural style that has remained

popular in America for over 200 years. Together with "Winnetka Tudor," Colonial Revival houses are the most commonly seen in Winnetka. The Centennial Exposition of 1876 in Philadelphia sparked a renewed interest in America's colonial architectural heritage. After the turn of the century, Colonial Revival architecture dominated construction throughout the country. Based on 17th and 18th century prototypes from the eastern seaboard, Colonial Revival buildings borrow stylistic elements from all types of colonial buildings. Typically, houses are rectangular and symmetrical in plan with classical detailing such as dentils. Double-hung, shuttered windows are common, and siding is usually wood, brick, or shingle.

760 Bryant Avenue was built in 1909 by architect Edwin H. Clark for his brother, Mancel T. Clark. An article published in the March 1909 issue of The House Beautiful describes the house: "If proportion is the good breeding of architecture, then balance and harmony must be the fine manners. Both inside and out this house impresses us with its good breeding and distinction."

Clark's design contains typical Colonial Revival elements, but the arrangement and proportion of those elements are what make it special. A wide clapboard-sided house, it is five window bays wide with two side wings. The center entrance is the focus of the house: pilasters flank the front door, which is topped by a decorative wrought iron railing surrounding a French door with fanlight. A molded cornice

with dentils and three pedimented dormers complete the exterior detailing. Interior trim and woodwork are equally elegant and classical in design.

Born in Chicago, Edwin Clark graduated from Yale University in 1900. He joined William A. Otis' practice in 1906 and became partner in 1908. He continued with the firm, renamed Otis & Clark, until 1920. He then became a partner in Clark & Wolcott, and in 1924 founded his own firm and practiced alone until his retirement in 1946.

Edwin Clark made significant contributions locally as well as throughout Chicago. In Winnetka he is best remembered as architect for the Village Hall, North Shore Country Day School, and Indian Hill Club. He lived in the village beginning in 1908 and built numerous residences including 325 White Oak Lane, 280 White Oak Lane, 1127 Sheridan Road, and his own home at 909 Mt. Pleasant. In the Chicago area Clark designed Brookfield Zoo and Lincoln Park Aquarium.

760 Bryant Avenue stands in tribute to classic design and a classic Winnetka architect.

*Editor's Note: This house is included in the Winnetka Historical Society publication, Winnetka Architecture: Where Past is Present, on page 26. It was incorrectly described as having been built for Walter Wilson in 1929. The authors apologize for the error.*

## HAROLD J. NUTTING

Harold Judd Nutting, 59, of 644 Pine lane, Winnetka, died last Thursday in his home. He was a retired executive vice president and general manager of Marshall Field and Company and chairman of the board of trustees of Presbyterian-St. Luke's Hospital.

Since his retirement in 1959, Mr. Nutting had been chairman and chief executive officer of Overseas Industries, Inc., export-import firm, and chairman of Thomas Moulding Brick Company since 1961.

Mr. Nutting was born in Oak Park. He was graduated from the University of Michigan in 1924 and started his career at Field's with a part-time job selling shirts. He became general merchandising manager in 1944, a vice president in 1946, and general manager of the company's Chicago and suburban stores division in 1948.

He was elected to the board in 1953 and became executive vice president in 1954.

Mr. Nutting, active in many civic and charitable organizations, was named first vice president of the Young Men's Christian Association of Metropolitan Chicago Jan. 23. He was a former president of the Chicago Better Business Bureau and the United Service Organization in Chicago, a former director of Junior Achievement in Chicago and of the United Defense Fund.

He was also vice president and trustee of Frozen Food Foundation, Inc., and a director of the National Retail Dry Goods Association, of Johnson Wax Company, Racine, Wis., of North Shore Country Day School, and was on the University of Chicago's citizens board.

Mr. Nutting, who moved to Winnetka from River Forest 13 years ago, was a member of the Winnetka Congregational Church. He was a member of the Chicago, Commercial, Commonwealth, University, and Executives Clubs, and of Old Elm and Indian Hill Country Clubs.

Surviving are his widow, Mrs. Margaret Peet Nutting; four sons, Charles of Sparta, N.J.; William of Menlo Park, Cal., David of Milwaukee, and John of the Pine lane address; a sister, Mrs. Arlene Teichen of River Forest; and six grandchildren.

Services were held Saturday in Winnetka Congregational Church, with Dr. Ernest A. Yarrow officiating. Burial was private. John L. Hebblethwaite Funeral Home handled the arrangements.

**MARGARET P. NUTTING**

Mrs. Margaret Peet Nutting, 58, of 644 Pine lane, Winnetka, died last week in Presbyterian-St. Luke's Hospital in Chicago.

She was the widow of Harold J. Nutting, retired executive vice-president and general manager of Marshall Field and Company and chairman of the board of Presbyterian-St. Luke's, who died Mar. 8.

Mrs. Nutting was born in Ypsilanti, Mich., and lived in River Forest before moving to Winnetka 13 years ago. She was a member of the Winnetka Congregational Church.

Surviving are her father, Bert W. Peet of Ypsilanti; four sons, Charles of New York City, William of Menlo Park, Cal., David of Milwaukee, and John, a stu-

dent at Yale University; and six grandchildren.

Memorial services were conducted Saturday in the Congregational Church by Dr. Ernest A. Yarrow. Burial was private. Hebblethwaite Funeral Home handled arrangements.

## Architecture

# Smaller firms sparkle in the big leaguers' shadow

By Paul Gapp  
Architecture critic

**BIG LEAGUE, "DOWNTOWN"** architectural firms tend to get an inordinate share of public attention, largely because they design most of our tallest or otherwise spectacular buildings.

But there are dozens of smaller firms, including many in the suburbs, which collectively carry major responsibility for creating our built environment.

Like the large offices, they are run by a mixed bag of highly talented, mediocre, and nondescript designers and engineers.

Because their work affects all of us, it seemed salutary to close in on one of the better [and, in some ways, typical] of them for a microcosmic look at how they function.

And so, after a bit of shopping around, we descended on a Northfield firm whose partners are Forrest D. Wendt, Charles T. Cedarholm, and William C. Tippens. A series of interesting coincidences brought them together.

All are in their middle 40s and received degrees from the University of Illinois, where none knew either of the others even though their years of study overlapped. All later worked for Charles Stade & Associates, another firm of modest size in Park Ridge. Each left Stade at a different time to open tiny one- or two-man offices of their own.

Eventually, all three were forced to face the same dismal fact: Trying to be a lone wolf architect is one of the most difficult enterprises imaginable. While working on one job, you have no free time to hustle up new business. If you're sick for a couple of weeks, it's a disaster.

Faced with those obstacles and others, the disenchanting trio of loners rediscovered each other in 1967 and formed the firm of Wendt, Cedarholm, Tippens, Inc., which today employs four persons in addition to the partners.

"We decided right at the start to spell out areas of authority to avoid conflicts," said Cedarholm. "So Bill is office manager and supervisor of construction, Forrest is in charge of new business, and I handle design."

In practice, however, there is overlapping of responsibility and a free-wheeling sense of informality around the office which is common to small firms.

It is the kind of working environment which seems highly appropriate for the flow of architectural ideas. Contrast it, if you will, with the big downtown shops, where one man may spend a whole year designing and redesigning a rubbish disposal system for a towering megastructure. That kind of labor, as many an architect will tell you, is a pathway to madness and about as creative as playing with mud.

"We bounce ideas off each other," said Tippens, "and we're free of the endless, administrative paper shuffling we'd have to do if we were big."

Unlike New York, Chicago is not bubbling with architectural ferment and dialogue of the sort which might leave a suburban designer feeling out of things. Still, the three partners manage to attend seminars and other events to keep their professional edges well-honed. Tippens enjoys giving slide-illustrated lectures on Chicago's architectural masterworks.

"Perhaps the most important quality we have to sell to potential clients is the thing they're most concerned about, and that's personal attention," said Wendt.

"The client knows with whom he's working because one of us is continuously in charge of a project from start to finish. It's not like a big shop, where somebody new may show up at every meeting. That can be disconcerting."

It is usually neither cheaper nor more expensive to retain a small architectural firm. Fees everywhere are based on a percentage of total construction cost and also vary by building types; the highest percentage fees usually apply to single family houses.

Architects, like doctors and lawyers, are not permitted to advertise [although they can promote themselves in quieter ways]. Wendt, Cedarholm, and Tippens thus spent a lot of time sitting around and nervously cracking their knuckles until the first job came along. It was a church addition.

The chairman of the church's building committee also happened to be board chairman of a suburban park district which shortly afterward needed somebody to design a recreation center. On the strength of their

Ideas flow around a drawing board in the suburban architecture firm founded by partners Forrest

D. Wendt (left), Charles T. Cedarholm, and William C. Tippens.

church performance, the architects captured the park district job and were on their way.

Since then, their major projects have included 15 libraries, 15 recreation buildings, 10 office buildings, five industrial structures, 10 houses, 3 restaurants, and a public housing project.

"We believe we've done more municipal libraries than anyone else in the suburban metropolitan area," said Cedarholm. "But we don't want to overemphasize that as a specialty because it might blunt our reputation for versatility."

"And we like to think that our libraries have few common characteristics," said Tippens. "Instead, they're responsive to individual design problems."

"We've tried to develop lasting designs, rather than anything that's modish or farout. We also try very hard for warmth in terms of design, materials, and the way we handle space."

Because all bookshelves in today's small libraries are open to the public, the space handling is more than a bit tricky. Open floor plans with a maximum of flexibility are mandatory, but some areas must carry a feeling of privacy and snugness.

Audio-visual facilities, book-theft detection devices, and computer connections between sharing libraries are among other advances in library science which must either be built in or anticipated as future additions.

A library's facades are almost equally important. In some of our new dreary, flatland suburbs, the library is the only culture symbol in town and deserves to look as handsome outside as within.

But as Cedarholm pointed out, the Northfield firm doesn't spend all of its time exploring the nuances of how to mix people and books. Indeed, their other major speciality has turned out to be recreation buildings, particularly those housing racquetball layouts [both public and for profit]. They've done eight racquetball facilities, and thus probably know as much as anybody about how to physically accommodate the burgeoning sport.

Oddly, there are absolutely no standard specifications for building a racquetball court, except that it be exactly the same size as a handball court [for which use it is interchangeable]. Theoretically, you can construct one with anything from mahogany to marble.

"We're sure some kind of specs will eventually be adopted, though," said Tippens. "Many of the better players immediately detect a difference in 'feel' when they play a new court, and others are even fussy about noise variations in certain sections of a court."

The smacking, twanging, popping noises of racquetball are considered to be highly marketable in the private clubs springing up everywhere.

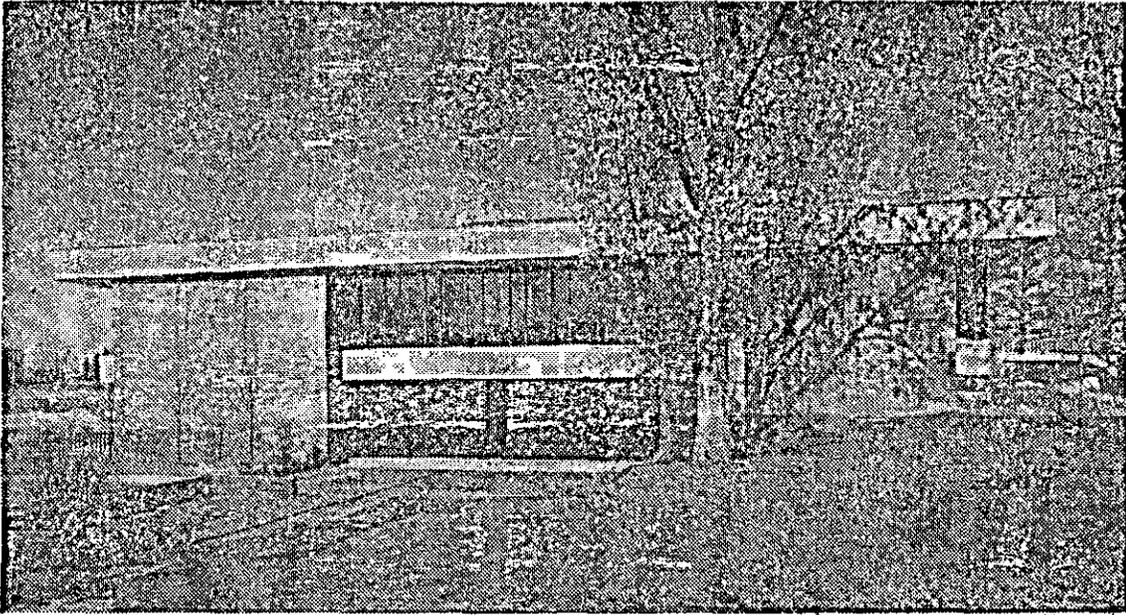

"In the old-time YMCAs, nobody except the players knew what went on inside a handball court, because there was rarely a place provided for people to watch," Tippens recalled.

"Today, when we do a racquetball building, we deliberately design it so the noise of play spills out into the lobby and the spectator gallery. When potential club members come in for a look around, the excitement of all this helps convince them to sign up."

A couple of years ago, promoters got the idea of telecasting the national racquetball championship finals in Las Vegas. When they couldn't figure out how to train cameras on the action from a variety of angles, they came to Wendt, Cedarholm, and Tippens.

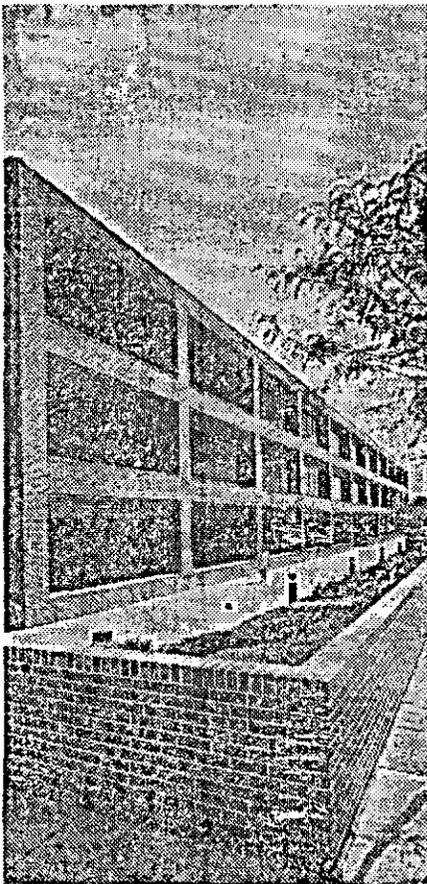

"We designed a demountable, four-wall court constructed of rigid, 7/8-inch glass," said Tippens, "and we were certain it would work." The telecasting plans fell through for other reasons, however, and the marvelous transparent cube never got off the drawing board.

And so it goes among the scores of architects out there in suburbia. They may not be turning out any skyscrapers, but their work has a great impact on the quality of life in the metropolitan area. Let us not forget that the downtown elite corps of architects holds no monopoly on good design, and buildings that were the way they're supposed to.

Palatine Public Library designed by Wendt, Cedarholm, Tippens, Inc.

## Top honors for a design quartet

Mutual Trust Life Building.

**FOUR CHICAGO-AREA** architecture firms have won this year's annual "excellence in masonry" awards, presented by the Metropolitan Chicago Masonry Council.

That may seem to have a rather commercial ring to it, but be advised that the council does not fling its bouquets in the crass manner of certain other groups that promote building materials.

A couple of years ago, the council turned over responsibility for judging to the national office of the American Institute of Architects.

It won cheers for that decision, because it meant awards would no longer be dispensed indiscriminately to architects just because they happened to use bricks. Only masonry structures are eligible, of course, but the sole criterion is good design.

The winners, selected from among 48 entries:

- The Perkins & Will Group, Inc., which took top honors in the competition for the Mutual Trust Life Building in Oak Brook, an elegant structure in which brick plays an almost ornamental role despite the crisp simplicity of the basic design;

- Skidmore, Owings & Merrill, for the Percy L. Julian High School, 10330 S. Elizabeth St., a handsomely detailed complex built on a difficult site hemmed in by railroad tracks and the Dan Ryan Expressway;

- The Samuels Group, Inc., of Northbrook, for the contiguous Central Savings and Loan and Ace Hardware buildings at Clark Street and Broadway. In scale and form, the structures stand as little bastions of architectural integrity at the gateway to New Town's commercial vulgarity;

- Barancik, Conte & Associates, for the Wieboldt office building in Evanston, a five-story structure which was cited in part for its compatibility with the surrounding neighborhood.

Judges of the contest, who assembled in Washington, were Chloethiel Woodard Smith, M. Elliott Carroll, and William L. Ensign. All are fellows of the American Institute of Architects.

**Property Maintenance Requirements**

During processing of the demolition permit, it is important that the owner and contractor maintain the property in accordance with the Village Property Maintenance Code to avoid generation of nuisances. Accordingly, the following minimum requirements shall be adhered to:

- Grass shall be mowed and maintained at a height not to exceed 8 inches.
- Garbage, yard waste, miscellaneous rubbish, mail, and debris shall be removed from the property and not allowed to accumulate.
- Building(s) shall be secured (doors and windows in working order, closed and locked).
- No demolition or removal of building components may commence until the demolition permit has been issued. Commencement of demolition prior to issuance of permit will result in a Stop Work Order and double permit fees for all subsequent permits
- Approved tree fencing protections must be installed as directed by Village Forester prior to commencement of demolition. Lack of tree fencing will result in Stop Work Order and fines.

DM (I/We) hereby agree to demolish the above structure or portion thereof, in accordance with the information submitted herewith and in strict compliance with all provisions of the Building Code and other related ordinances and regulations of the Village of Winnetka, and DM (I/We) hereby consent to inspection of the work during demolition and to the responsibility of maintaining the subject site and adjacent public and private properties in a good, safe and clean condition.

644 Pine Lane – Proposed Demolition and Construction Schedule

With respect to the schedule, my wife and I are in the early phase of coming up with plans for a new home. We anticipate starting demolition and construction of a new home in the Fall of 2021. We've been told the new construction could be up to 12 - 15 months. Our timing could change as we get into the details, but this is our best estimate at this time.

# MEMORANDUM VILLAGE OF WINNETKA

## COMMUNITY DEVELOPMENT DEPARTMENT

**TO:** LANDMARK PRESERVATION COMMISSION  
**FROM:** CHRISTOPHER, MARX, AICP, ASSOCIATE PLANNER  
**DATE:** SEPTEMBER 15, 2020  
**SUBJECT:** CASE NO. 20-20-LPC: 636 GARLAND AVENUE - DEMOLITION PERMIT

<b>INTRODUCTION</b>	
Meeting Date	September 21, 2020
Commission Action	Preliminary historical and architectural review to determine if a Historical Architectural Impact Study (HAIS) is necessary or if a demolition permit can be issued without delay.
Property Address	636 Garland Avenue (See Attachment A – Aerial Map)
Property Owner	Sue Elizabeth Morrison Boatman Garland Trust
Application Submitted by	Mathew Havey – Contract Purchaser (See Attachment D – Application Materials)
Mail Notice Sent to Property Owners within 250 feet	Completed
Public Comments as Date of Memo	None
<b>PROPERTY DESCRIPTION</b>	
Size	0.477 acres
Location	South side of Garland Avenue between Forest Street and Church Road
Improvements	Single-family residence with attached garage
Zoning	R-4 Single Family Residential
Surrounding Zoning	R-4 Single Family Residential to the south, east and west, and R-5 Single Family Residential to the north
<b>PROPERTY HISTORY</b>	
	See Attachment B, Preliminary Property History See Attachment C, Winnetka Historical Society Report
Constructed	1924
Additional Construction Activity	1923 – Build frame and brick veneer residence; 1986 – Construct one-story bay window added to back of existing single family residence
Winnetka Historical Society (WHS)	The WHS research indicates that there is both architectural and historical significance for the Subject Property. The original architect of the property was William Aitken, who designed many prominent buildings in Winnetka and the Chicago North Shore. The property was also home to several prominent Village residents.

<ul style="list-style-type: none"> <li>Historical Significance</li> </ul>	<ul style="list-style-type: none"> <li>Residents <ul style="list-style-type: none"> <li>Harold F. Leahy, founder and former president of the LaSalle Paper Company in Chicago.</li> <li>Robert Boatman and Susan Garland (formerly Susan Boatman). Susan Garland was a longtime Winnetka resident who was involved in various community organizations before she died tragically in a fire that broke out in her bedroom at 636 Garland.</li> </ul> </li> </ul>
<ul style="list-style-type: none"> <li>Architectural Significance</li> </ul>	<p>William Aitken was a well-known architect and builder of several notable homes on the North Shore. He was the founder of the Village of Bannockburn and built many of its first homes. In Winnetka, Aitken designed and built the Aitken building on the corner of Green Bay Road and Gage Street, as well as the home at 500 Maple, a Winnetka Landmark. Aitken also designed and built the home at 671 Lincoln, where the movie "Home Alone" was filmed. 636 Garland is a spacious Georgian Revival that contains many similar features to Aitken's well-known homes in Winnetka and elsewhere.</p>
<b>NEIGHBORHOOD CONSTRUCTION ACTIVITY</b>	
Other Permits for New Single-Family Homes on Same Block (either side of the right-of-way block face and/or along the alley)	None
Director's 60-Day Delay Due to Construction Activity	Delay is not necessary to prevent undue congestion and noise impacts in the neighborhood.

**COMMISSION REVIEW**

The Commission may consider one of the following two motions (1) Historical Architectural Impact Study Required or (2) Demolition Without Delay.

**Historical Architectural Impact Study Required**

The Commission finds that based upon the (1) preliminary property history study, (2) the Winnetka Historical Society comments, and (3) other information, comments, or evidence received by the LPC during its preliminary review **that the building and/or property is of sufficient historic or architectural merit to warrant conducting a Historical Architectural Impact Study (HAIS) prior to issuance of the demolition permit.** The Commission reached its conclusion based upon the property meeting the following criteria **[Commission would note which criteria is met]:**

1. The property or structures have been designated a landmark pursuant to Chapter 15.64 of the Village Code;
2. The property or structures have been included in the most recent Illinois Historic Structure Survey conducted under the auspices of the Illinois Department of Conservation;
3. The property or structures have been listed on the National Register of Historic Places or the Illinois Register of Historic places; and

4. The property or structures have sufficient architectural or historical merit to warrant a full HAIS prior to issuance of a demolition permit.

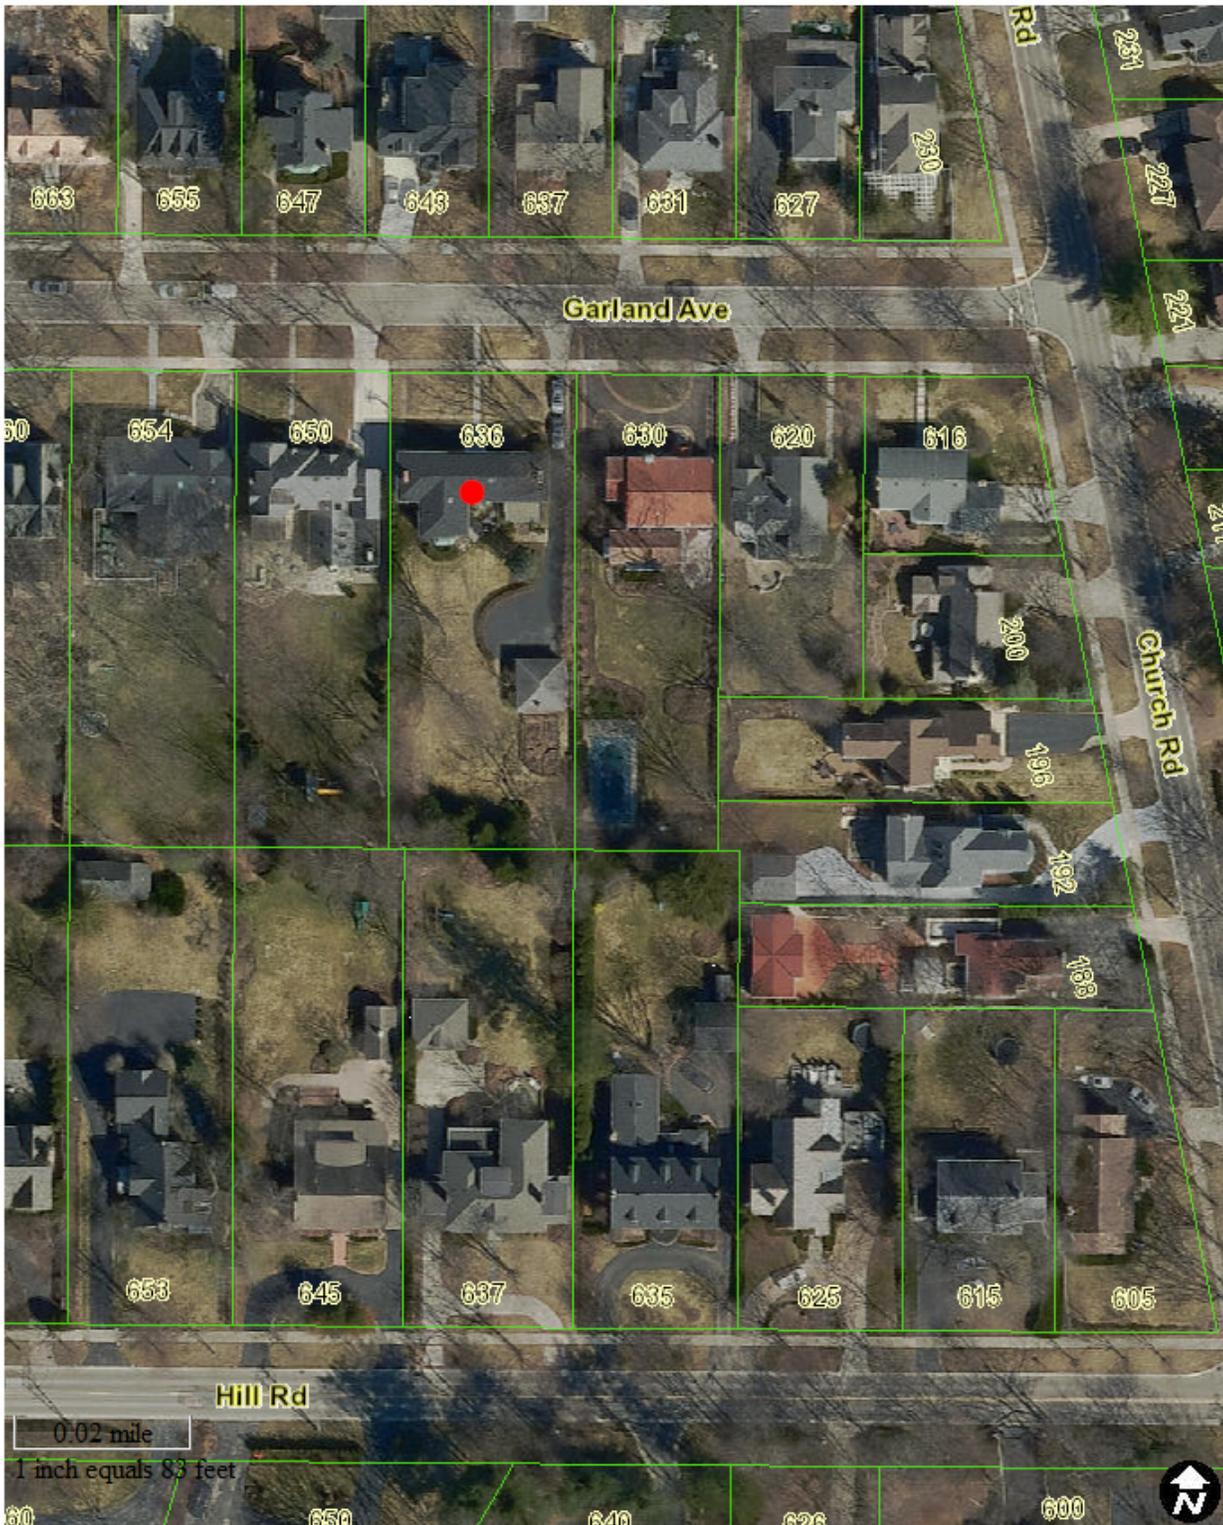

#### **Demolition Without Delay**

The Commission has determined that in accordance with Section 15.52.040 of the Village Code that the building and/or property is not of sufficient historic or architectural merit to warrant a Historical Architectural Impact Study, and the demolition of the structure may proceed without delay.

**SIGNIFICANT EVENTS ON PROPERTY:**

**ARCHITECTS:**

<b>ARCHITECT NAME</b>	<b>DATE AND DESCRIPTION OF PROJECT</b>	<b>INFORMATION ATTACHED</b>
William Aitken	1923 - Build frame and brick veneer residence	Bannockburn Village history; Winnetka Talk article; Chicago Tribune obituary
Fred Polito	1986 - Construct one story bay window added to back of existing single-family residence	

**RESEARCH SOURCES USED:**

**Winnetka Talk, Chicago Tribune, WHS property files, phone books, Ancestry.com, Google search**

**Date of Research: 8/26/2020**

Our research indicates that this property does have architectural and historical significance. The original architect of the property, William Aitken, was a well-known architect and builder of several notable homes on the North Shore. He was the founder of the Village of Bannockburn and built many of the first homes there. In Winnetka, Aitken designed and built the Aitken building on the corner of Green Bay Road and Gage Street, as well as the home at 500 Maple, a Winnetka Designated Landmark. Aitken also designed and built the home at 671 Lincoln, where the popular movie “Home Alone” was filmed. 636 Garland is a spacious Georgian Revival that contains many similar features to Aitken’s well-known homes in Winnetka and beyond.

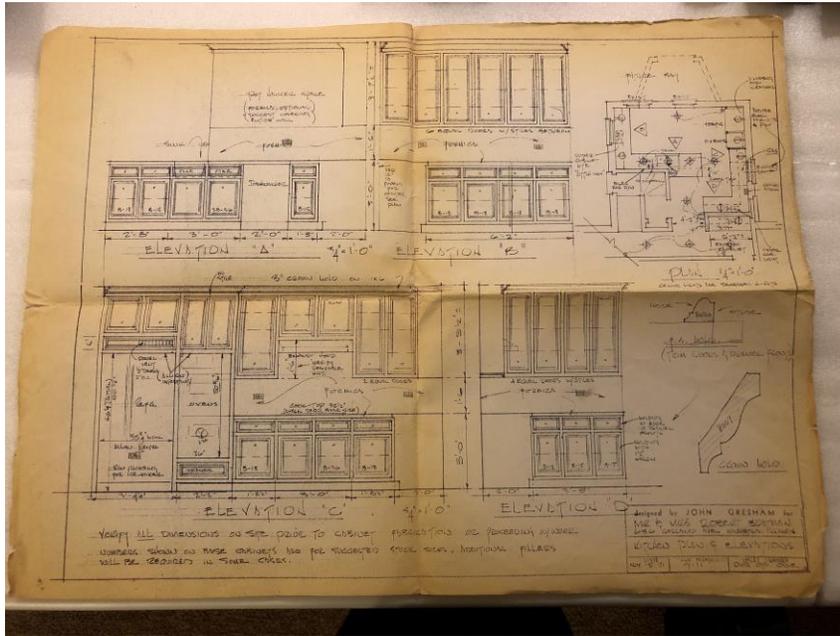

Additionally, this property has been home to several prominent Winnetka residents, including Harold F. Leahy, founder and former president of the LaSalle Paper Company in Chicago. In addition, this property was the home of Robert Boatman and Susan Garland (formerly Susan Boatman). Susan Garland was a longtime Winnetka resident who was involved in various community organizations before she died tragically in a fire that broke out in her bedroom at 636 Garland .

# OBITUARIES

## The Rev. Harrison A. Maynard

Services for the Rev. Harrison A. Maynard, 73, of 2817 Thayer st., Evanston, who died Wednesday, will be held at 4 p. m. today in the First Congregational church, 1125 Wilmette av., Wilmette. Dr. Maynard for 38 years was a missionary in the near east under the American board of foreign missions of the Congregational Christian church. He retired in 1946. Surviving are his widow, Mary, and four sons, Robert, Richard, president of the American college in Tarsus, Turkey; John, and Edward.

## Mr. and Mrs. William Aitken

Services for William Aitken, 74, and his wife, Florence, 62, of Telegraph rd., Bannockburn, who were killed Wednesday in an automobile accident in Nebraska, will be held at 10:30 a. m. Monday in Trinity Episcopal church, Highland Park. Mr. Aitken, a builder and real estate operator, founded Bannockburn, a community between Deerfield and Lake Forest. Mr. and Mrs. Aitken leave two sons, John and William Jr., and two daughters, Mrs. Joseph P. Condon and Mrs. Jean Griffin.

## Mrs. Louisa W. Paradee

Services for Mrs. Louisa W. Paradee, 85, of 5733 S. Neenah av., were held yesterday in the chapel at 7306 Archer av., Summit. Mrs. Paradee, a native of Chicago, was an organizer of the West End Civic league, now known as the Garfield Ridge Improvement organization. She also was an organizer of St. James' Presbyterian church. She leaves a daughter, Mrs. Mabel Gunther, and a son, Harry.

## Dan L. Coghlan

Dan L. Coghlan, 81, of the Newberry hotel, 817 N. Dearborn st., a retired actor who impersonated Abraham Lincoln, died yesterday in a sanitarium at Palatine. Survivors include two nieces, Mrs. J. P. Davey and Miss Helen Gilchrist, and a nephew, L. P. Nestor. Services will be held at 10 a. m. Monday in St. Giles' church, Oak Park.

## Miss Lillian Otley

Services for Miss Lillian Otley, 38, of 2019 W. 68th st., sister of Chief George Otley of park district police, will be held at 9:15 a. m. Monday from the chapel at 5438 Halsted st. to St. Justin Martyr church, 1818 W. 71st st. She died Thursday in Mercy hospital. Surviving are four other brothers and five sisters.

## Edward T. Franklin

Edward T. Franklin, 76, of 373 Hazel av., Glencoe, who retired 10 years ago after 35 years as a Chicago wholesale coal dealer, died yesterday in Highland Park hospital. Surviving are his widow, Helen, and a son, William. Services will be held at 2 p. m. today in the chapel at 895 Linden av., Hubbard Woods.

## Julio Arana

LIMA, Peru, Sept. 12 (AP)—Julio Arana, 84, called the "rubber king" in the early 1900s, died last night almost a pauper. He lost his fortune when his Peruvian rubber tracts failed to meet the competition of plantations in Malaya and the East Indies.

## Walter L. Brock

Walter L. Brock, 49, of the Del Prado hotel, 5307 Hyde Park blvd., died there yesterday. He was manager of the Sears Roebuck & Co. Englewood retail store, 6233 Halsted st. He had managed the company's retail store in Brooklyn, N. Y., for more than nine years and had been a Sears executive since 1932. Surviving are his widow, Ethel; three sons, Max, Thomas, and James, and a daughter, Linda. The body will be in the chapel at 5203 Lake Park av. until noon today. Services will be held Monday in Marion, Ind.

## Daniel T. Heffernan

Requiem mass for Daniel T. Heffernan, 81, of 4331 Lexington st., an employe of the Peoples Gas Light and Coke company for 35 years, will be held at 9 a. m. Monday in Presentation church. Mr. Heffernan died in St. Anne's hospital Thursday. He came to Chicago from Ireland 53 years ago. Two sons, nine daughters, 30 grandchildren, and two great-grandchildren survive.

## Robert La Riviere

Robert La Riviere, 55, of Lawrence av. and Wolf rd., Leyden township, died yesterday in his home. Mr. La Riviere was owner and manager of the Police Gun club near his home. Surviving are his widow, Evelyn, and a daughter, Mrs. Virginia Klemm. Services will be held at 2 p. m. Monday in the chapel at 7600 Grand av., Elmwood Park.

## Brig. Gen. Walter A. Dumas

San Francisco, Sept. 12 (AP)—Brig. Gen. Walter A. Dumas, 58, retired, who served on Gen. MacArthur's staff in the Pacific in World War II, died at Letterman army hospital here last night after a heart attack. Gen. Dumas was MacArthur's chief of plans and operations in 1944 and 1945.

## John W. Hall

Services for John W. Hall, 68, of 7338 Coyle av., for many years a carpenter contractor for Sears Roebuck & Co., will be held at 1:30 p. m. Monday in the chapel at 6754 Northwest hwy. Mr. Hall died Thursday in St. Luke's hospital. Surviving is his widow, Sarah.

## James Petersen

Services for James Petersen, 88, of 1009 Vine st., Winnetka, a retired grocer in the suburb, will be held at 10 a. m. Monday in Sacred Heart church, Hubbard Woods. Mr. Petersen died Thursday in his home. Surviving are a daughter, Mrs. Harry Roberts, and two sons, Peter and Dr. Fenton.

## Richard Hallam Peck

MONTREUX, Switzerland, Sept. 12 [Reuters]—Air Marshal Richard Hallam Peck, 59, of Britain collapsed and died today as he was walking along a quayside at this Swiss resort on Lake Geneva. He served in the air force during World War I.

## E. H. W. Meyerstein

LONDON, Sept. 12 (AP)—E. H. W. Meyerstein, 63, poet, novelist, and biographer, died today. His published works included the novels "Terence Duke," "Seraphine," and "Joshua Slade."

<https://bannockburn.org/community/village-history/>

The first settlers to the area where Bannockburn stands today arrived in 1835 from County Meath, Ireland. Michael Meehan built a log cabin near what is now the northwest corner of Hilltop Lane and Telegraph Road and gradually acquired a total of 283 acres.

William Aitken was an architect and builder who is credited with bringing modern real estate development to the Village. He created a master plan covering 110 acres where he intended to build “country estates” for people who wanted that genteel style of living. Aitken was born in Scotland and used the name “Bannockburn” for his own home and in the names of his subdivisions.

The first homes went up in 1924 and by 1929, when application was made to incorporate the area, there were 30 families in the community—on Meadow Lane, Robin Road, Aitken Drive, Telegraph Road, and in the Wilmot Road/Sunset Lane area. Early residents were very active in developing and shaping the community that they loved, serving as trustees on the village board, organizing the Bannockburn school, creating zoning ordinances that formed the basis of our current zoning codes, and organizing a garden club and numerous charitable activities.

Over the years more land was acquired and today the Village encompasses 1,318 acres located approximately 30 miles north of Chicago, and 4 miles west of Lake Michigan. The original intent of William Aitken—to create a residential community with homes on large tracts of land within a rural atmosphere comprising natural landscapes and open spaces—is preserved to this day, due to the commitment of the residents of the Village of Bannockburn, past and present.

# FIND AUTO TAKEN BY LOOTERS OF MALLERS HOME

## Clews to Holdup on North Shore Are Slim.

*(Pictures on back page.)*

The limousine of Edward B. Mallers, Chicago realty operator, in which a band of robbers escaped from his Kenilworth residence early yesterday with all the portable valuables they could discover during a nine hour search, was found abandoned last evening at 31st street and Emerald avenue, Chicago.

Recovery of the car, which was found by Police Sergt. Michael O'Donnell at 5:30 p. m., reduced Mr. Mallers' loss from \$14,410 to \$9,100, the difference representing the value of the machine, which was undamaged. Experts at the detective bureau found a few blurred finger prints on the car and a rubber heel from a man's shoe, clues which they admitted, were of little worth.

### North Shore Uneasy.

A feeling of insecurity was discernible in the north shore towns last night as residents reflected on the ease with which the robbers gained entrance to the Mallers home, locked Mr. and Mrs. Mallers, their two children and four servants in a closet, prowled through the dwelling from top to bottom, and feasted on the contents of the ice box before driving away at 4:30 a. m.

The leader of the bandits posed as a physician calling to attend the daughter of the family. Once in the vestibule, he beckoned two accomplices from the shrubbery and all drew guns. The maid, the children's nurse, the cook, and the butler were led upstairs and with the children were locked in the closet. Mr. Mallers and his wife reached home at 2 a. m. and were locked up with the others.

### Captives Force Door.

An hour elapsed after the robbers escaped before Mr. Mallers and the butler forced the closet door. The loot, as itemized by Mr. Mallers, consisted of a man's reccoon coat, \$800; fifteen suits of clothing, \$1,000; two dozen shirts, \$100; one squirrel coat, \$500; one carnacul coat, \$500; one diamond-sapphire watch, \$2,000; one platinum ring, \$250; one ruby and one emerald ring, \$250 each; one set of diamond links and studs, \$350; one cigaret lighter with a watch inset, \$110, and silver table ware, \$3,000.

Coping with house robbers as skilled and deliberate as those in the Mallers robbery is almost impossible, in the opinion of Chief W. M. Peterson of the Winnetka and Chief Henry Brautigam of Wilmette, villages adjoining Kenilworth. The two chiefs drew up a list of suggestions to the public, the tenor of which was that servants should exercise extreme caution in admitting callers.

# ROBERT L. BOATMAN

CHICAGO TRIBUNE, September 13, 2000

Robert L. Boatman, 81, a 33-year Masonite Corp. executive who helped the company develop a veneer for doors, died Monday, Sept. 4, in his home in Winnetka after a lengthy illness. Born in Van Wert, Iowa, Mr. Boatman graduated from [Iowa State University](#) with a bachelor's degree in forestry, and later earned a master's degree in economics at the University of Minnesota. From 1941 to 1946, he served as a wood technologist and later an air operations specialist with the U.S. Army Air Forces Material Command. In 1948, he began selling building products at Masonite Corp.. While at Masonite, he was involved in the creation of a material that gave outer doors the look of wood but kept the price affordable, said his wife, Sue. "That was a major accomplishment because it launched [Masonite's] entry into the [door veneer] market," she said. Survivors also include a daughter, Judith Lise Martin; a son, John Robert "Jack"; a sister, Mary Kay Kull; and three grandchildren. Memorial services will be held at 4 p.m. Friday in Christ Episcopal Church, 784 Sheridan Rd., Winnetka.

# Longtime Winnetka resident and philanthropist dies in house fire

By KAREN ANN CULLOTTA

PIONEER PRESS |

MAY 03, 2020 AT 8:06 AM

An 82-year-old Winnetka woman died in a fire in her home in the 600 block of Garland Avenue. (Karen Ann Cullotta / Pioneer Press)

A longtime Winnetka resident who friends described as a tireless volunteer and philanthropist died in a house fire in the village Friday night, authorities said.

Susan Garland, 82, died in her home Friday night after a fire broke out around 7 p.m. in her bedroom on the second floor of her home in the 600 block of Garland Avenue, Winnetka Fire Captain Robert Bowne said.

The fire department received a call from Garland Friday evening, reporting the house fire, which was contained to the bedroom and quickly extinguished, Bowne said.

Garland died at the scene, and the cause of the fire is suspected to be related to smoking materials, Fire Chief Alan Berkowsky said.

On Saturday, the Rev. Christopher Powell, rector at Christ Church of Winnetka, said he spoke to Garland on the phone earlier in the week, when officials held a virtual Zoom meeting to discuss the Episcopal church's annual rummage sale.

As a member of the church's benevolence committee, Garland was among the volunteers who made site visits every year to non-profit organizations across Chicago that were being considered as recipients of the \$200,000 raised annually by the rummage sale.

Although Garland had suffered from health problems in recent years, Powell said she remained a tireless volunteer, always eager to lend a hand and her expertise.

"She stayed very involved in our church, even with her health challenges...she was such an interesting and gracious person. She was a friend to so many," Powell said.

Despite the fact that Garland lived on Garland Avenue, and shared a surname with one of Winnetka's early founders, John Garland, Powell said there was no relation, and called the similarity "a double coincidence."

A master gardener and avid reader, Garland was a member of the local Rhododendron Society and once served on the Winnetka-Northfield Library District's board of trustees.

[\[Most read\] Coronavirus in Illinois updates: Eviction ban extended in state until late September »](#)

"Susan was a such a gracious person, and a good friend to many...she always had a smile on her face," Powell said.

# OBITUARIES

## The Rev. Harrison A. Maynard

Services for the Rev. Harrison A. Maynard, 73, of 2817 Thayer st., Evanston, who died Wednesday, will be held at 4 p. m. today in the First Congregational church, 1125 Wilmette av., Wilmette. Dr. Maynard for 38 years was a missionary in the near east under the American board of foreign missions of the Congregational Christian church. He retired in 1946. Surviving are his widow, Mary, and four sons, Robert, Richard, president of the American college in Tarsus, Turkey; John, and Edward.

## Mr. and Mrs. William Aitken

Services for William Aitken, 74, and his wife, Florence, 62, of Telegraph rd., Bannockburn, who were killed Wednesday in an automobile accident in Nebraska, will be held at 10:30 a. m. Monday in Trinity Episcopal church, Highland Park. Mr. Aitken, a builder and real estate operator, founded Bannockburn, a community between Deerfield and Lake Forest. Mr. and Mrs. Aitken leave two sons, John and William Jr., and two daughters, Mrs. Joseph P. Condon and Mrs. Jean Griffin.

## Mrs. Louisa W. Paradee

Services for Mrs. Louisa W. Paradee, 85, of 5733 S. Neenah av., were held yesterday in the chapel at 7306 Archer av., Summit. Mrs. Paradee, a native of Chicago, was an organizer of the West End Civic league, now known as the Garfield Ridge Improvement organization. She also was an organizer of St. James' Presbyterian church. She leaves a daughter, Mrs. Mabel Gunther, and a son, Harry.

## Dan L. Coghlan

Dan L. Coghlan, 81, of the Newberry hotel, 817 N. Dearborn st., a retired actor who impersonated Abraham Lincoln, died yesterday in a sanitarium at Palatine. Survivors include two nieces, Mrs. J. P. Davey and Miss Helen Gilchrist, and a nephew, L. P. Nestor. Services will be held at 10 a. m. Monday in St. Giles' church, Oak Park.

## Miss Lillian Otley

Services for Miss Lillian Otley, 38, of 2019 W. 68th st., sister of Chief George Otley of park district police, will be held at 9:15 a. m. Monday from the chapel at 5438 Halsted st. to St. Justin Martyr church, 1818 W. 71st st. She died Thursday in Mercy hospital. Surviving are four other brothers and five sisters.

## Edward T. Franklin

Edward T. Franklin, 76, of 373 Hazel av., Glencoe, who retired 10 years ago after 35 years as a Chicago wholesale coal dealer, died yesterday in Highland Park hospital. Surviving are his widow, Helen, and a son, William. Services will be held at 2 p. m. today in the chapel at 895 Linden av., Hubbard Woods.

## Julio Arana

LIMA, Peru, Sept. 12 (AP)—Julio Arana, 84, called the "rubber king" in the early 1900s, died last night almost a pauper. He lost his fortune when his Peruvian rubber tracts failed to meet the competition of plantations in Malaya and the East Indies.

## Walter L. Brock

Walter L. Brock, 49, of the Del Prado hotel, 5307 Hyde Park blvd., died there yesterday. He was manager of the Sears Roebuck & Co. Englewood retail store, 6233 Halsted st. He had managed the company's retail store in Brooklyn, N. Y., for more than nine years and had been a Sears executive since 1932. Surviving are his widow, Ethel; three sons, Max, Thomas, and James, and a daughter, Linda. The body will be in the chapel at 5203 Lake Park av. until noon today. Services will be held Monday in Marion, Ind.

## Daniel T. Heffernan

Requiem mass for Daniel T. Heffernan, 81, of 4331 Lexington st., an employe of the Peoples Gas Light and Coke company for 35 years, will be held at 9 a. m. Monday in Presentation church. Mr. Heffernan died in St. Anne's hospital Thursday. He came to Chicago from Ireland 53 years ago. Two sons, nine daughters, 30 grandchildren, and two great-grandchildren survive.

## Robert La Riviere

Robert La Riviere, 55, of Lawrence av. and Wolf rd., Leyden township, died yesterday in his home. Mr. La Riviere was owner and manager of the Police Gun club near his home. Surviving are his widow, Evelyn, and a daughter, Mrs. Virginia Klemm. Services will be held at 2 p. m. Monday in the chapel at 7600 Grand av., Elmwood Park.

## Brig. Gen. Walter A. Dumas

San Francisco, Sept. 12 (AP)—Brig. Gen. Walter A. Dumas, 58, retired, who served on Gen. MacArthur's staff in the Pacific in World War II, died at Letterman army hospital here last night after a heart attack. Gen. Dumas was MacArthur's chief of plans and operations in 1944 and 1945.

## John W. Hall

Services for John W. Hall, 68, of 7338 Coyle av., for many years a carpenter contractor for Sears Roebuck & Co., will be held at 1:30 p. m. Monday in the chapel at 6754 Northwest hwy. Mr. Hall died Thursday in St. Luke's hospital. Surviving is his widow, Sarah.

## James Petersen

Services for James Petersen, 88, of 1009 Vine st., Winnetka, a retired grocer in the suburb, will be held at 10 a. m. Monday in Sacred Heart church, Hubbard Woods. Mr. Petersen died Thursday in his home. Surviving are a daughter, Mrs. Harry Roberts, and two sons, Peter and Dr. Fenton.

## Richard Hallam Peck

MONTREUX, Switzerland, Sept. 12 [Reuters]—Air Marshal Richard Hallam Peck, 59, of Britain collapsed and died today as he was walking along a quayside at this Swiss resort on Lake Geneva. He served in the air force during World War I.

## E. H. W. Meyerstein

LONDON, Sept. 12 (AP)—E. H. W. Meyerstein, 63, poet, novelist, and biographer, died today. His published works included the novels "Terence Duke," "Seraphine," and "Joshua Slade."

# WINNETKA WEEKLY TALK

SECOND SECTION

WINNETKA, ILLINOIS, SATURDAY, JANUARY 27, 1923

## Aitken Block Proves Builder's Genius

### AITKEN BLOCK IS BIG ACHIEVEMENT

Hubbard Woods Business Site Proves William Aitken Real Builder

### MOVED BIG BUILDING

Aitken Ideals Represented in Product

The new Aitken block at Gage street and Linden avenue, Hubbard Woods, might readily be termed William Aitken's crowning achievement.

As a builder of homes the north Winnetka architect has found no equal in this vicinity. His products, literally rows upon rows of substantial, attractively designed and rightly priced residences, have for years been viewed with pride by Winnetka citizens and visitors in the village.

That William Aitken could produce substantial and yet attractive business structures, was a prospect never particularly considered by those who admired his home building.

**He Did It!**

But Aitken stepped out and did that very thing. He took the old Forberg building—offered the highest bid for the structure that was condemned to provide a park site—moved it directly across Linden avenue, rebuilt it and added a modern corner site.

Aitken gave the Winnetka Park district \$5,000 for the Forberg building, containing a grocery, the Hubbard Woods Postoffice, Oshner's Tailor shop, a real estate office and two apartments. He moved the structure at a cost of \$6,000, and at his own expense graded the prospective park site previously covered by the building.

Wrecking the Forberg building and improving the former site would have cost the Park district between \$6,000 and \$10,000, it is estimated.

The task of moving the building was one that few builders would care to undertake. Hubbard Woods realtors wagered it couldn't be done. Just to think of trying to place on wheels a long, rambling brick structure (55 x 85 feet) and move it half a block! The thought was preposterous, they decided.

Aitken showed them the feat could be accomplished.

**The Postoffice Problem**

After the structure had been placed on its new foundations, Aitken did another astonishing thing. There was talk that the postoffice would have to be moved or service entirely discontinued. But Aitken decided that if Uncle Sam wanted to continue to do business "at the old stand," well, he could arrange it, that's all. Consequently, Uncle Sam stayed and Mr. Aitken proceeded to tear away and rebuild all around the postoffice. Business of serving the public of Hubbard Woods continued uninterrupted, while the postoffice was "on wheels" he provided heat by electricity, although it was necessary to cut the wiring almost daily while the journey was under way.

Mr. Aitken's homes, and now his business block, are examples of his determination to make Hubbard Woods

### NEW AITKEN BLOCK—PRIDE OF HUBBARD WOODS

People didn't believe it could be done—move a big brick building half a block, rebuild it, add some more to it and have the finished product a beautiful brick and stucco business block, one of the most substantial and attractive school teachers. The Parent-Teacher association and Mr. Aitken, with the assistance of generous citizens who contributed furnishings, provided these attractive quarters for the teachers in the public schools, thus solving an ever-prevalent housing problem.

### Bake Shop Enjoys Boom Right From Its Opening

The Hubbard Woods Bake-shop, now open in the Aitken Building, is another example of what a bake shop can do to give a high class neighborhood pie, cakes, doughnuts, etc., a thing that tastes like mother used to make.

It can be done, judging by the line of customers always coming and going from the new bake shop.

### Dr. Lyngholm Is Welcomed by Hubbard Woods People

Dr. Thorwald Lyngholm, osteopathic physician, has opened offices in the new Aitken Block. Already he enjoys an encouraging practice and is well known on the north shore.

Dr. Lyngholm only recently returned from Europe where he had been making a study of children's diseases.

### Killian, the Plumber, Does Fine Job in Aitken Block

The new Aitken building boasts of fourteen complete baths.

All are the work of Vic J. Killian Hubbard Woods plumbing contractor. Mr. Killian has been in business in Hubbard Woods for two years and has established an excellent reputation through the splendid quality of his work.

an attractive place in which to live and shop. He is a strong Hubbard Woods booster and takes keen pride in building what he likes to call "Winnetka homes"—homes that others like to call "Aitken homes."

### N. T. C. A. LAUNCHES MEMBERSHIP DRIVE

A membership of not less than 100 by March 1, is the goal of the New Trier Commercial association in its membership campaign to be launched early next week.

At its regular meeting Monday evening of this week, the association appointed a committee comprising J. J. Moran, J. A. Seymour, George White, Carl Sterner and William Taylor, to have charge of the campaign, which will continue until March 1.

The association now boasts a membership of more than 70 New Trier business and professional men.

At the Tuesday meeting the association secretary was authorized to purchase a typewriter and mimeograph machine to be utilized in providing lists of new residents for the members of the organization.

### Friendship Circle Prepares for Annual Valentine Party

Tuesday evening, February 13, is the date set for the annual dance of Friendship Circle at Winnetka Community House.

Many will read this with interest because the girls of the club have been asked frequently when the dance was to take place. It will be a Valentine Party and Arns orchestra will furnish the music.

Last Tuesday evening the club was entertained by Mrs. George L. Cherry, who gave several very interesting and amusing readings.

There will be another surprise next week and the leaders of the club are anxious to have all the members, as well as newcomers, participate in the evening's activities.

### Woodland Market Finds Place in Hubbard Woods

One of the most up-to-date and best stocked groceries and markets on the north shore is the Woodland grocery and market, which opened recently in the new Aitken building.

Mr. Sturtil, proprietor, was formerly in business in Glenwood. He is serving Hubbard Woods in an efficient manner that is bringing him more customers every day.

### Miss Trapp's Millinery to Stress Creative Headgear

The opening of Miss Frances Trapp's new millinery store in the Aitken block will be a real event for the women of Winnetka, Hubbard Woods and Glenwood. Miss Trapp and her work are already well known on the north shore.

Her new shop is unusually attractive, and will have all the latest styles on display. Her work is original and creative.

### Hearthstone Proves "Eats" Are Good Away From Home

It is a hard thing to find a place where the eats are as good (or better) than real home cooking. But, about Thanksgiving time the Hearthstone Tea and Candy shop opened in the new Aitken building, announcing the food would be better than the average Tea room or restaurant could provide.

Those who have tried it, seem to agree that the food is "as good as the best" and the Tea room is growing more popular day by day.

In the candy shop everything is "really home made." Nuff sed.

### COUNTRY CLUB HAS ITS OWN MAGAZINE

First Issue of Ouilmette Country Club Magazine Delights Members

### HAS MANY FEATURES

Robert McKnight, Editor and Manager

The Ouilmette Country Club Magazine are listed the names of men prominent in the village and Chicago business circles. John Blair Whidden is chairman of this committee and its fellow members are W. Frank McClure and H. H. Kuhl.

**News of Club Doings**

The maiden issue of the Ouilmette Country Club Magazine contains many interesting features, including a section devoted to social news and personal items concerning club members; some pop-column editorials; the January calendar of club events; poems and articles written by club members; an extremely interesting "feature" story about Charles E. Sharpless, chef de cuisine, otherwise known as steward and chef of the club; a complete list of officers, directors, and members of the club, and many other most readable articles.

Those in charge of the publication are planning many interesting features for forthcoming issues of the magazine. There are planned an inquiring editor's column; a gallery of "when you and I were young" photographs; pictures of members' babies; pictures of household pets; a column "from which R. H. L. Rig, and F. A. will hasten to pattern," and a department of domestic science "for which Good Housekeeping Magazine offer almost anything for syndicate rights."

### Aitken Block Contains a Well-Equipped Barber Shop

One of the most up-to-date and complete barber shops on the north shore is now located in the new Aitken building. Bert Smale, the proprietor, is very enthusiastic over the new location.

This shop makes a specialty of children's work.

### BUYS O'DEA RESIDENCE

T. R. Benson of Bertling Lane has purchased the O'Dea residence at 601 Ash street. The Benson family will occupy the home after renovations are completed.

### GETTING OFF THE "STILTS"

"It couldn't be done," but here is a section of the old building before it was dropped on the new foundation. Looks like a cyclone did it.

### Hubbard Woods Lumber-Coal Co. Material in New Block

The Hubbard Woods Lumber and Coal company had much to do with the Aitken Block, north Winnetka's largest and newest Commercial structure.

Practically all the building material in the Aitken block was provided by the Hubbard Woods Lumber and Coal company, of which Joe Mercer is the well known directing genius.

### Baseball Club Benefit Hop Due for Saturday, Feb. 10

The Winnetka Baseball club of the North Shore Baseball league announces a benefit dance on Saturday evening, February 10, at Community House.

Musical of the best is promised for this occasion. Proceeds will go into the club fund.

### A NEW ROOF FOR THE OLD

That fancy gable room was not on the original building. The idea was Aitken's and here is an "exclusive" photo showing how it was done.

VILLAGE OF WINNETKA, ILLINOIS  
DEPARTMENT OF COMMUNITY DEVELOPMENT

DEMOLITION APPLICATION

Permit No. DR2000-825

**Property Information**

Site Address: 636 Garland Avenue

Parcel Identification Number(s) (PIN): 05-21-311-011-0000

Description of all structures to be demolished: Primary Residence and Detached Garage

**Current Property Owner Information**

Legal Name: Suz Elizabeth Morrison

Trustman Garland Trust Dated March 18, 2005

Primary Contact: Michele Blewons & Janis Sullivan

Address: [REDACTED]

City, State, Zip: Winnetka, IL 60093

Village of Winnetka  
DEMOLITION APPLICATION

**Property Maintenance Requirements**

During processing of the demolition permit, it is important that the owner and contractor maintain the property in accordance with the Village Property Maintenance Code to avoid generation of nuisances. Accordingly, the following minimum requirements shall be adhered to:

- Grass shall be mowed and maintained at a height not to exceed 8 inches.
- Garbage, yard waste, miscellaneous rubbish, mail, and debris shall be removed from the property and not allowed to accumulate.
- Building(s) shall be secured (doors and windows in working order, closed and locked).
- No demolition or removal of building components may commence until the demolition permit has been issued. Commencement of demolition prior to issuance of permit will result in a Stop Work Order and double permit fees for all subsequent permits
- Approved tree fencing protections must be installed as directed by Village Forester prior to commencement of demolition. Lack of tree fencing will result in Stop Work Order and fines.

We (I/We) hereby agree to demolish the above structure or portion thereof, in accordance with the information submitted herewith and in strict compliance with all provisions of the Building Code and other related ordinances and regulations of the Village of Winnetka, and We (I/We) hereby consent to inspection of the work during demolition and to the responsibility of maintaining the subject site and adjacent public and private properties in a good, safe and clean condition.

Applicant Signature: 

Date: 8/20/2020
