HIBBARD ROAD CLOSURE NOTICE: During the Winnetka School District Winter Break (December 23 to January 8), Hibbard Road will be closed for construction between Willow Road and Elm Street. Please follow posted detour routes and use caution while driving in this area.

Dewatering, topsoil stripping, and the beginning of excavating Hole No. 17

Constructing the box culvert between Little Duke StormTrap and the Par 3 Storage Facility

WORK THIS WEEK (week of 12/5/2022)

- DiMeo installed all but one final piece of the concrete box culvert connecting the Little Duke StormTrap to the Par 3 Storage Facility. This box culvert helps tie all the storage facilities together
- DiMeo completed dewatering of the No. 9 and No. 17 ponds on the 18 Hole Course
- They have also begun stripping topsoil on No. 17

WORK NEXT WEEK (week of 12/12/2022)

- DiMeo will begin installing local drainage around Little Duke and Duke Childs
- They will also continue stripping topsoil and excavating Hole No. 17
- Excavated soils from the 18 Hole Course will be used to fill other areas on the 18 Hole Course. Thus, hauling traffic on Willow Road should decrease from the previous months' use

PROJECT CONTACT INFORMATION

To be added to the weekly update distribution list, please visit the project website to sign up. For any inquiries, please contact James Bernahl, P.E., Village Engineer, at the contact information listed here.
