

2017 Green Award Recipients

The first recipient, Elizabeth “Liz” Kunkle, was selected for the category of recycling/waste reductions for her greening of Winnetka through the founding of Go Green Winnetka and unceasing efforts to increase recycling through work with schools, WEFC, Village vendors, and other Winnetka institutions. The second recipients, Theodore “Ted” Wynnchenko and Laura Hill, were selected for the category of green building for their demonstration with the construction and operation of their new home and how to go LEED (Leadership in Energy and Environmental Design) green in the areas of water-energy conservation.
