

KEEP YOUR BUSINESS SAFE

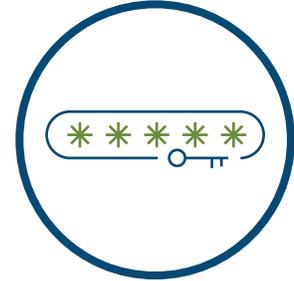

WITH TIPS FROM THE WINNETKA POLICE DEPARTMENT

TIP
1

Increase Cyber Security

- + Use strong passwords to prevent cyberattacks.
- + Install the latest security updates to computer software.
- + Back up business data outside your network in a secure data management service.

TIP
2

Education & Awareness

- + Create a cybersecurity plan for your business.
- + Keep yourself and your employees up to date on information about cyber threats, like phishing tactics and ransomware.

TIP
3

Secure Your Business

- + Install security cameras and alarm systems.
- + Keep valuable merchandise away from entrances/exits.
- + Secure employees' personal items.

TIP
4

Schedule A Security Survey

The Winnetka Police Department will perform a complimentary security survey of your business.
