

VILLAGE OF WINNETKA

Rooftop Solar Energy System Incentive Program
System Specifications Form

This form is to be completed by the system installer and is required documentation for the Village of Winnetka’s Solar Energy System Incentive Program.

Completed forms must be returned to the homeowner to be submitted with their online application through the Village of Winnetka website.

System Specifications			
<i>Enter the technical data that is applicable to the type of system installed</i>			
Homeowner name:			
Installation street address:	City:	State:	Zip:
Provide the photovoltaic system A) module manufacturer, B) model number, and C) system rated output in kW AC (at AC inverter):			
A)	B)	C)	
Provide the photovoltaic system’s expected annual production in kWh:			
For the photovoltaic system – provide the A) # of roof panels (modules) installed, and B) module manufacturer’s power rating in Watts for total system:			
A)	B)		
System Installer Information			
Name and address of state-licensed distributed generation certified contractor: (indicate primary and DBA name)			
Is Illinois Commerce Commission (ICC) certification current?	Village of Winnetka Electrical Contractor’s License #:	Is Winnetka License # current?	
Company name if different from ICC-certified name above:		Phone:	
Street:	City:	State:	Zip:
Date of Installation:	A) Total System Installed Price:		
	B) Net System Cost After Rebates/Credits:		
<i>Contractor certification: I hereby certify that the information here is true and correct and that the solar or solar water heating system described here was installed at the indicated address on the date listed, and that the system is in compliance with all applicable local building codes.</i>			
Installer Signature _____		Date: _____
