### **Bond Now Required Only for Projects Involving Work in the Public Right-of-Way or on Village Property**

For any permit that also includes work within a public right-of-way or on Village property, including public utilities, a permit may not be issued until a License and Permit Bond payable to the Village of Winnetka is filed with the Department of Community Development in the amount of \$25,000. The License and Permit Bond should be filed by the property owner or the property owner’s general contractor if there is a general contractor. If there is not a general contractor, the License and Permit Bond may be filed by the person performing the work on Village property or within the public right-of-way. (Winnetka Village Code, Section 15.32.060)
