Re: Additional Village Authority for Liquor Establishments

Dear Liquor Licensee:

You are receiving this letter because your business possesses a Winnetka liquor license to sell liquor in the Village.

In light of the current state of emergency in our state related to the COVID-19 pandemic, the Governor issued COVID-19 Executive Order No. 5, suspending operations for all businesses in Illinois that offer food or beverages for on-premises consumption, including bars and restaurants. This Executive Order obviously impacts many businesses in our Village, including specifically those businesses, such as yours, that hold a Village of Winnetka liquor license.

In an effort to maintain the public health and safety by ensuring compliance with the Governor's Executive Order while at the same time providing as much regulatory relief as possible to our business community, the Village is committed to working with its businesses while we work through these challenging times.

Accordingly, as Liquor Commissioner for the Village of Winnetka, I hereby authorize all holders of a Village liquor license to:

- Offer carry-out and curb-side pickup for packaged liquor from your business. The curb-side pickup must be made adjacent to or nearby your business's front door; and
- Offer delivery of packaged liquor for consumption off the licensed premises. The liquor must be delivered by your business's employees.

Please note that this letter does not authorize delivery of packaged liquor by third-party services, such as GrubHub, DoorDash, Caviar, or other similar delivery services.

**510 Green Bay Road, Winnetka, Illinois 60093**

Page 2

If your business desires to offer carry-out or curbside pickup of packaged liquor, or delivery of packaged liquor, the alcohol must be in the original sealed packaging and otherwise sold in compliance with all other applicable federal, state, and local laws. Also, of course, liquor cannot be possessed or purchased by someone under the age of 21 years of age, so you should continue to ensure (i) to check the identification of any person receiving liquor from your business when delivering liquor for carry-out, at curbside, or off-premises; and (ii) that delivery is done by a member of your staff who is at least 21 years of age. Finally, you should maintain the appropriate insurance to provide for carry-out, curbside, or off premises deliveries, as applicable to your operations.

Please note that this letter and the authorization provided in this letter will be deemed a rider to your existing Winnetka liquor license. The hours of sale, carry-out and delivery of liquor will remain consistent with the provisions of your existing liquor license. The authorization in this letter will expire upon further notification from the Village based on circumstances related to the COVID-19 emergency and the continued effectiveness of the Governor's Executive Order.

If you have questions regarding this letter, compliance with the Executive Order, or the Village Code's liquor regulations during the COVID-19 outbreak, please do not hesitate to contact Police Department Administrative Services Manager Keri Kaup at 847-716-3440.

Thank you for your cooperation.

Sincerely,

Re: Additional Village Authority for Liquor Establishments

Dear Liquor Licensee:

You are receiving this letter because your business possesses a Winnetka liquor license to sell liquor in the Village.

In light of the current state of emergency in our state related to the COVID-19 pandemic, the Governor issued COVID-19 Executive Order No. 5, suspending operations for all businesses in Illinois that offer food or beverages for on-premises consumption, including bars and restaurants. This Executive Order obviously impacts many businesses in our Village, including specifically those businesses, such as yours, that hold a Village of Winnetka liquor license.

In an effort to maintain the public health and safety by ensuring compliance with the Governor's Executive Order while at the same time providing as much regulatory relief as possible to our business community, the Village is committed to working with its businesses while we work through these challenging times.

Accordingly, as Liquor Commissioner for the Village of Winnetka, I hereby authorize all holders of a Village liquor license to:

- Offer carry-out and curb-side pickup for packaged liquor from your business. The curb-side pickup must be made adjacent to or nearby your business's front door; and
- Offer delivery of packaged liquor for consumption off the licensed premises. The liquor must be delivered by your business's employees.

Please note that this letter does not authorize delivery of packaged liquor by third-party services, such as GrubHub, DoorDash, Caviar, or other similar delivery services.

**510 Green Bay Road, Winnetka, Illinois 60093**

Page 2

If your business desires to offer carry-out or curbside pickup of packaged liquor, or delivery of packaged liquor, the alcohol must be in the original sealed packaging and otherwise sold in compliance with all other applicable federal, state, and local laws. Also, of course, liquor cannot be possessed or purchased by someone under the age of 21 years of age, so you should continue to ensure (i) to check the identification of any person receiving liquor from your business when delivering liquor for carry-out, at curbside, or off-premises; and (ii) that delivery is done by a member of your staff who is at least 21 years of age. Finally, you should maintain the appropriate insurance to provide for carry-out, curbside, or off premises deliveries, as applicable to your operations.

Please note that this letter and the authorization provided in this letter will be deemed a rider to your existing Winnetka liquor license. The hours of sale, carry-out and delivery of liquor will remain consistent with the provisions of your existing liquor license. The authorization in this letter will expire upon further notification from the Village based on circumstances related to the COVID-19 emergency and the continued effectiveness of the Governor's Executive Order.

If you have questions regarding this letter, compliance with the Executive Order, or the Village Code's liquor regulations during the COVID-19 outbreak, please do not hesitate to contact Police Department Administrative Services Manager Keri Kaup at 847-716-3440.

Thank you for your cooperation.

Sincerely,

- Offer carry-out and curb-side pickup for packaged liquor from your business. The curb-side pickup must be made adjacent to or nearby your business's front door; and
- Offer delivery of packaged liquor for consumption off the licensed premises. The liquor must be delivered by your business's employees.

Please note that this letter does not authorize delivery of packaged liquor by third-party services, such as GrubHub, DoorDash, Caviar, or other similar delivery services.

**510 Green Bay Road, Winnetka, Illinois 60093**

Page 2

If your business desires to offer carry-out or curbside pickup of packaged liquor, or delivery of packaged liquor, the alcohol must be in the original sealed packaging and otherwise sold in compliance with all other applicable federal, state, and local laws. Also, of course, liquor cannot be possessed or purchased by someone under the age of 21 years of age, so you should continue to ensure (i) to check the identification of any person receiving liquor from your business when delivering liquor for carry-out, at curbside, or off-premises; and (ii) that delivery is done by a member of your staff who is at least 21 years of age. Finally, you should maintain the appropriate insurance to provide for carry-out, curbside, or off premises deliveries, as applicable to your operations.

Please note that this letter and the authorization provided in this letter will be deemed a rider to your existing Winnetka liquor license. The hours of sale, carry-out and delivery of liquor will remain consistent with the provisions of your existing liquor license. The authorization in this letter will expire upon further notification from the Village based on circumstances related to the COVID-19 emergency and the continued effectiveness of the Governor's Executive Order.

If you have questions regarding this letter, compliance with the Executive Order, or the Village Code's liquor regulations during the COVID-19 outbreak, please do not hesitate to contact Police Department Administrative Services Manager Keri Kaup at 847-716-3440.

Thank you for your cooperation.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Rintz". The signature is cursive and somewhat stylized.
