

VILLAGE OF WINNETKA

Business Registration Form

In an effort to promote economic development and provide accurate information to our first responders, the Village of Winnetka created and maintains a business database. Each year a form will be provided to first floor commercial tenants to help keep the database up-to-date.

The database is also critical in helping track available space, calculating vacancy rates, and allows the Village to provide critical or emergency information in a timely manner.

We would greatly appreciate your assistance by completing any missing information and/or correcting any information below. This form can be returned to Liz Dechant, Economic Development Coordinator at Village of Winnetka, 510 Green Bay Road, Winnetka, IL or emailed to ldechant@winnetka.org. If you have any questions please call 847-716-3528.
