

VILLAGE OF WINNETKA RECYCLING GUIDE

What should I do BEFORE recycling?

Additional green recycling containers, both 35 & 95 gallon, are available for purchase at Winnetka Village Hall (510 Green Bay Road).

What may I recycle?

What should I NOT put in my container?

- BEFORE you put anything in a recycling container, keep in mind:
- DO NOT put recyclables in plastic bags as they clog the machinery at the recycling plant.
 - Use paper bags or simply throw recycling directly into your outdoor green bin.
 - Rinse/empty all containers so they are free of food residue.
 - Leave plastic lids on containers.
 - Flatten ALL boxes.
 - Place your recycling containers at your curb by 7:00 AM the day of your collection.

- Paper, newspapers, magazines, catalogs, junk mail, and telephone books
- Chip board (i.e. cereal boxes, towel cores, shoe boxes)
- Envelopes (window style are OK)
- Computer paper
- Corrugated cardboard boxes (maximum size 2' x 2')
- All glass bottles, jars and metal lids (take lids off jars)
- All metal food & beverage cans
- Aluminum foil & pie plates
- Plastic soda bottles, milk/water jugs, most juice & detergent bottles, and any other containers labeled #1 through #5 and #7. (find the number on the bottom of the item)
- Refrigerated gable top cartons such as milk, juice or cream, and non-refrigerated shelf-stable cartons such as juice packs, soy milk, soups or wine
- Scrap metal (must fit in container)

- Plastic bags
- Polystyrene/Styrofoam
- Single use paper goods-plates, cups, napkins, towels, and tissues
- #6 Plastic rigid or semi-rigid containers and lids (e.g. Solo cups)
- Food-contaminated paper goods
- Waxed frozen or refrigerated food containers
- Window glass, light bulbs, mirrors, dishes, mugs, and plates
- Containers from automotive and chemical/paint products

Remember: Acceptable items you recycle in your residential recycling containers may ALSO be recycled in commercial dumpsters and the green recycling receptacles located throughout the Village.

What should I do with plastic bags?

What are the guidelines for Styrofoam recycling?

When dropping off #6 block and food service style polystyrene (Styrofoam), please consider the following:

- Make sure your Styrofoam has the triangle recycling symbol.
- Separate packaging foam and foodservice foam.
- Foodservice containers MUST be clean and rinsed.
- No straws, lids, plastic wrap, or trash.
- No packaging peanuts (accepted at most UPS Stores).
- No foam insulation, foam rubber, or foam sheets.

What should I do with yard waste?

- Yard waste is picked up curbside on your regular trash day and twice a week from April through November.
- Grass clippings and other similar landscaping refuse must be placed into a Village Yard Waste Bag, available for \$2.20 each at The Grand and Lakeside Foods.
- Brush and branches must be bundled and each bundle must have a Village sticker attached, also available for \$2.20 at The Grand and Lakeside Foods. (bundles cannot be larger than 2'x2'x4')

Who is SWANCC?

The Solid Waste Agency of Northern Cook County (SWANCC) is a nonprofit agency that provides solid waste management services to 23 member communities, including Winnetka. SWANCC's focus is to reduce the volume and toxicity of solid waste through responsible waste reduction solutions and collections for special materials. Most of the Village's recycling collection programs, both event-based and year-round, are coordinated through SWANCC. Common items that SWANCC provides proper recycling/reuse/disposal resources for include:

- Hazardous waste/chemicals
- Oil-based paint
- Paper shredding
- Appliances
- Clothing
- Propane tanks
- Cooking oil/Grease trap
- Carpeting
- Bicycles
- Office equipment
- Furniture

For more information on SWANCC, including events, programs, educational resources, and a full directory of reuse and recycling options in the region, visit www.swancc.org.
